

Board Moves To Finance New Library

The Board of Directors of the Antioch Township Library moved ahead with plans to finance the construction of a new library at their meeting last Friday.

The Board gave approval to a \$200,000 mortgage on the library property, with L. M. Woods, executive vice president of the First National Bank, as holder of the trust deed. The mortgage is payable in annual installments of \$20,000, or more, with interest at 5%.

Plans for the new building were discussed with architect Robert Freund, who will present plans to the Board at the next meeting September 27.

Tentative plans are for a building with an area of 9,600 square feet. The board intends to construct a one-story building that will meet the needs of the population for the next ten years. It will be a readily expandable type of construction, to allow additions as needed.

The ten-year population projection estimates the library will be serving a population of 16,600 by 1976. Library planning provides for two books per capita, or a need for 33,200 volumes, which the planned-for building will accommodate.

The present library has 1,272 square feet of usable space. It houses 20,000 books. Tentative plans are for a one-story building, without basement. The weight of books, the architect informed the board, makes construction costly if a basement is included. Extra bracing would be necessary.

Developers Purchase Village Green Sub'n.

Village Green subdivision, on North Ave. in Antioch, has been purchased by a long-time developer and builder of high grade custom homes in the North Shore

area of Chicago. William M. Hennessy, attorney for the developer, said that his clients are planning to build homes with every convenience for the

owner—wall to wall carpeting, dishwasher, washer and dryer, air conditioning, automatic disposal, complete landscaping, garage with ample space for the two-car family, and many other extras. He said most builders sell homes with these extras, but the only thing a purchaser at Village Green will have to do is to select the decor.

The \$30,000 range.

Plans for the Village Green subdivision were first presented to the Antioch Village Board in September, 1962. Murrill Cunningham, then mayor of Antioch, presented the plans and was one of the developers of the subdivision.

There were originally 126 lots for sale in the subdivision. Several homes have been built and are occupied. The present developers purchased 100 lots.

The developers said they examined over thirty parcels of land before deciding on the Antioch area. The attractiveness of the locale and the fact that the subdivision has city water, sewers, paved streets, curbs, underground utilities and is close to schools, churches and shopping facilities made this subdivision the first choice of the developers, they said.

Safety Comm. Asks For No Passing Zone

The Lake County Safety Commission considered steps to remedy hazardous situation in the county at a dinner meeting in Libertyville recently.

Present at the meeting were chairman Harold Scheskie, J. C. Forney, Roy Clapp, Joe O'Neill, O. T. Sorlie, Harry Stern, John Thompson, and guests Mike Anderson and Bud Kreuger.

Anderson and Kreuger reported on their activities at the Illinois Youth Traffic Safety Conference. They hope to start something along these lines on the county level, working with high schools.

Following a fatal accident recently on Route 173 west of Antioch, Harry Stern had suggested that this winding road be declared a no passing zone from Route 59 west to the Fox River. A letter was written to Fred Mason, District Safety Engineer in Elgin, suggesting that the strip of highway, about 4 miles long, be made a no passing zone. More than thirty accidents were reported to the police on this section of highway last year, including one fatality.

The Commission has invited Driver Education teachers from schools in the county to attend a special dinner meeting at 7 p.m. September 11 in Libertyville. At that time, the possibility of involving young people

from local high schools in traffic safety work will be investigated. Commission member John Thompson expressed concern about the hazard created by oversized loads on the highway, particularly over-wide house trailers. Laws and regulations covering the movement of house trailers will be gone into at the next meeting.

Rescue Squad Calls Made Last Week

The Antioch Rescue Squad took Paul Fischer, 75, of Box 338, Antioch, to Victory Memorial Hospital August 27.

Jack Hinton, Springfield, was found in a diabetic coma at Oak Point State Park August 24 and given treatment. Joseph Lopez, Joe Hernandez, Ray Reese and Patricia Reese were taken to Zion Memorial Hospital after a traffic accident at Route 45 and 173.

Hulda Lasco, 89, was taken to Victory Memorial Hospital August 27.

8 New Teachers On ACHS Staff

Antioch High School will open Tuesday with eight new teachers on the staff. So far, a teacher for the electronics course has not been found.

The new teachers are Mrs. Donna Baird, Mrs. Cheryl Bassler, Mrs. Rebecca Daehler, Theodore J. DeRousse, Jr., Mrs. Charlotte Kelly, Eugene Lischewski, Robert Runkus and Morris Tharp.

Mrs. Donna Baird will teach Mathematics on a part time basis. She has taught high school for three years, one at Muskego and two at Monroe, Wisconsin. Mrs. Baird received her B.S. degree from Wisconsin State College, Whitewater, in 1958. She resides in Salem, Wis.

Mrs. Cheryl Bassler graduated from Chicago Teachers College-North, in 1964. She will teach English. She taught one year in the James A. Sexton Educational and Vocational Center in Chicago and two years at Central High School, Salem, Wis. Mrs. Bassler resides at Silver Lake, Wis.

Mrs. Rebecca Daehler, a resident of Zion, has been employed to teach Home Economics and assist in the sponsorship of the Future Home Makers of America. She taught for two years in the Erie High School, Erie, Illinois. The Bachelor of Science degree was awarded Mrs. Daehler from Iowa State University in 1964.

Robert Runkus graduated from Northern Illinois University in 1966. During 1967 he has been enrolled in the N.I.U. Graduate School and was taking courses in Education. He will teach Bookkeeping and Business Mathematics in the Business Education Department.

Mrs. Theodore J. DeRousse, Jr., will teach Driver Training and coach Sophomore wrestling and Freshman Football. He is a 1963 graduate of the

University of Illinois. He taught for two years in the Lake Zurich system. Mrs. Charlotte Kelly is a 1964 graduate of Madison College, Harrisonburg, Virginia. She will teach shorthand and typing in the Business Education Department and sponsor the Yearbook. She taught for two years in the Fort Chiswell High School, Max Meadows, Virginia and one year in the Round Lake Community High School.

enne Wells, Colorado.

Only freshmen will have to go to the High School Tuesday, with no classes scheduled. Wednesday, September 6, freshmen will attend classes, while upper classmen will pay fees, receive schedules and general information.

Thursday and Friday all students will have a full class schedule.

Eugene Lischewski will teach Mathematics and coach Sophomore Basketball. His undergraduate degree was received in 1958 from Colorado State College of Education, Greeley, Colorado. In the same year a Masters degree was awarded to him in Physical Education, from the same institution. He earned a Masters degree in Mathematics in 1962 from Louisiana State University, Baton Rouge, Louisiana.

Morris Tharp will teach in the Social Studies Department, be Assistant Sophomore Football Coach and serve as Assistant Sponsor of the Student Council. He graduated from Carthage College in 1966. He taught for one year in the Cheyenne Wells High School, Chey-

Leaves Scene After Accident

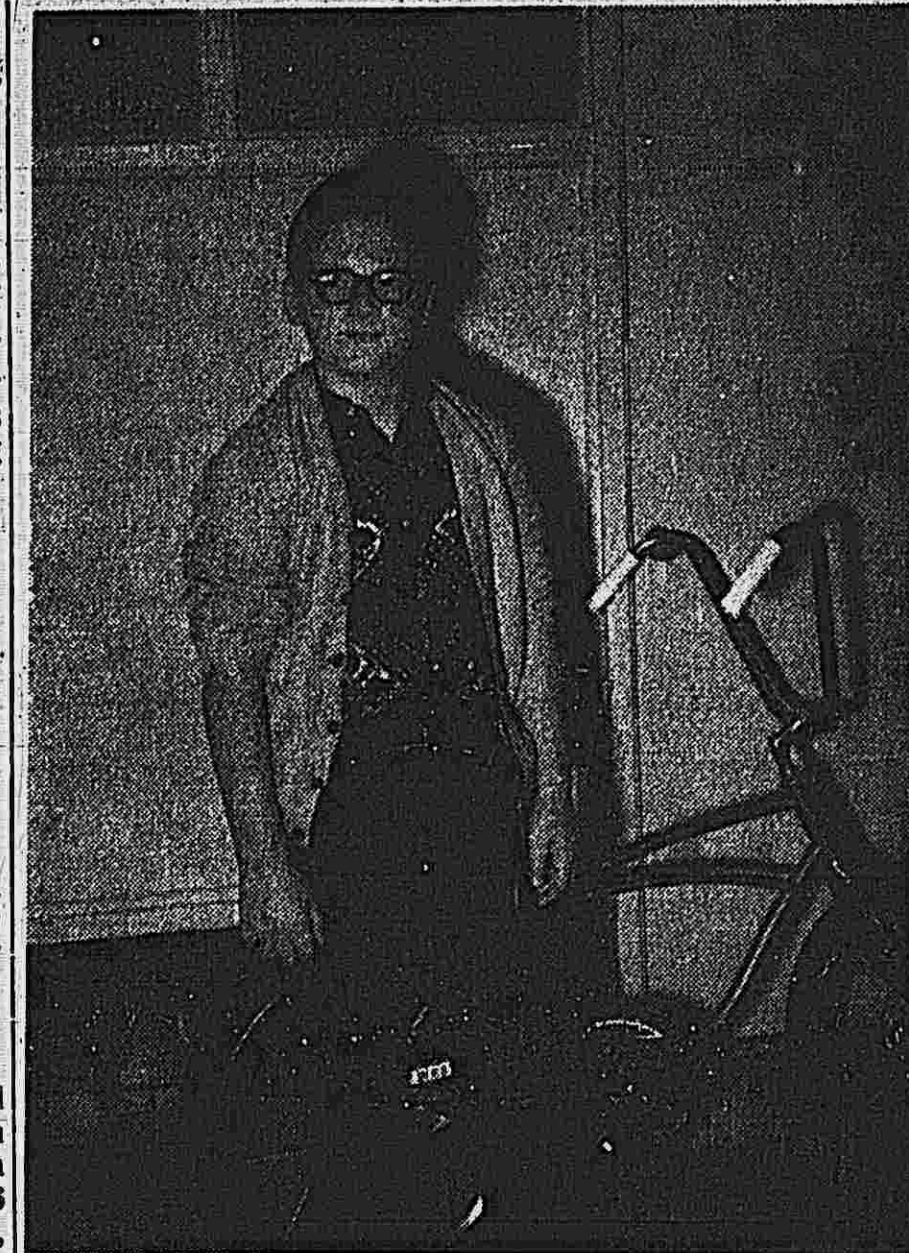

Four persons were injured in a two-car accident on Route 173 west of Antioch near Linden Lane at about 6 p.m. last Thursday night, Aug. 24.

Mr. and Mrs. Kennard W. Scribner of Depot St., Antioch, were taken to Condell Memorial Hospital by the Antioch Rescue Squad after the accident. Their sons, James, 11, and Jonathan, 8, were treated and released. Deputies said Mrs. Scribner went through the windshield after the collision.

The driver of the other car, Bobby Gentry of Blue Springs, Miss., was arrested at a motel in Richmond and charged with leaving the scene of the accident.

The car driven by Gentry had been reported stolen. Police found the wife of the owner at a Richmond motel. She said she had given Gentry permission to drive the car.

Gentry said he was driving west on Route 173 and came up behind a slow-moving car. He applied the brakes and his car spun across the center line. The Scribner car, headed west, hit Gentry's car in the rear.

PM&L Schedules Two Productions

PM&L directors Valerie Hunley and Ken Smouse are announcing try-outs for two productions, so, as September approaches, the drama group is getting in gear for a busy season.

is someone who knows how to yodel and would be willing to teach the actors, please be at try-outs or notify Mrs. Josef Hunley, 395-4228.

Valerie Hunley, director of children's plays, is having try-outs for "Heidi", a play based on the long-loved children's novel by Johanna Spyri, on September 1 and 8, from 8:00 to 9:00 p.m. at the theatre, 877 Main St., Antioch. Thirteen characters of all ages—both men and women, boys and girls—are needed.

"Heidi" will open, by special invitation, at Mundelein High School at 10:30 a.m., November 18. PM&L was asked to give this special performance in Mundelein to help raise funds for an organization which provides summer drama workshops for the children of Mundelein.

The regular run of "Heidi" in Antioch will be the first two weekends in December. Ken Smouse is directing "Ready When You Are, C. B." for production on November 3, 4, 10, and 11. It is the opener of the regular PM&L season and is a comedy by Susan Slade. The New York Times comments, "The author's nicely oddball, piqued sense of humor... distills charm, laughter, and a touching sense of truth."

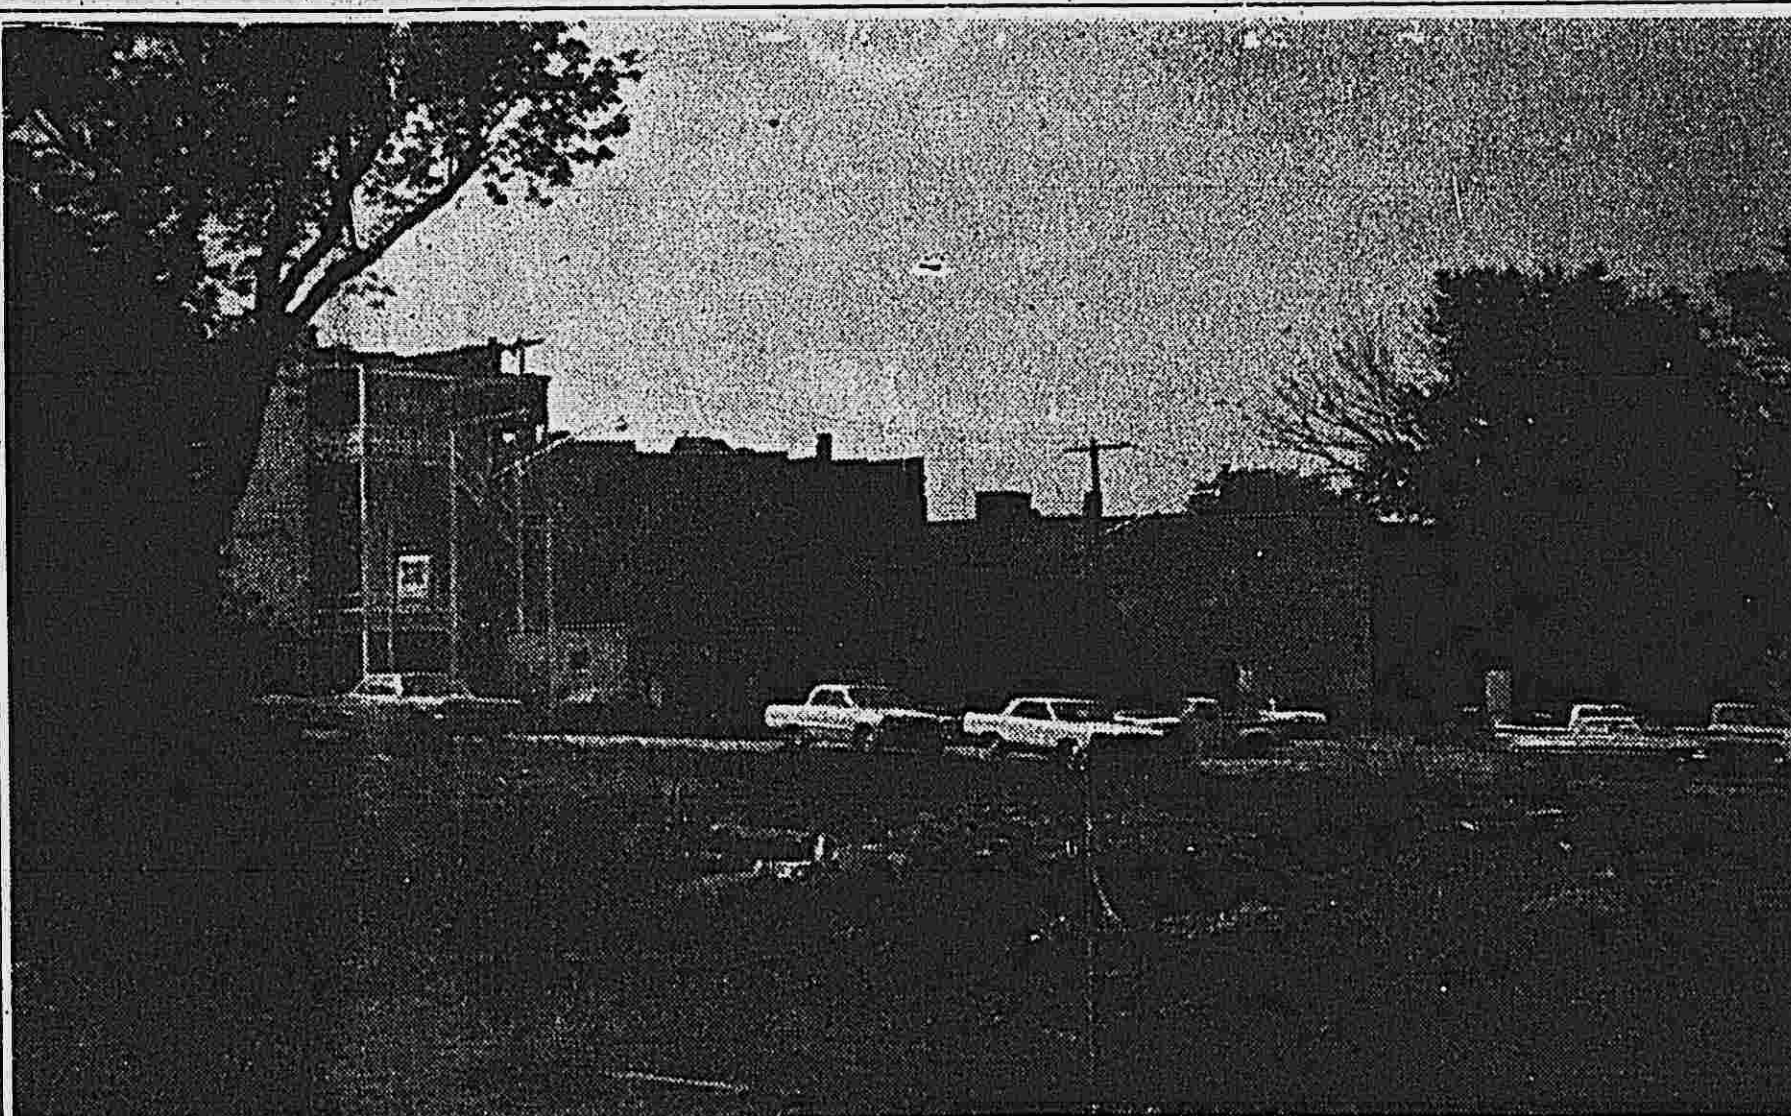

There is also a special need for yodelers. Heidi, her grandfather and Peter, should all be able to yodel by production time. If there

meet Thursday, August 31, for an orientation meeting and workshop day. Registration for all students will be on September 1, from 8:15 a.m. to 11:30 a.m. in the school gymnasium. All students are to register on that day and on Tuesday, September 5, classes will begin with a full day of operation including the school cafeteria.

Tryouts for "C. B." are September 14, 15, 16 at 8 p.m. at the theatre. The cast includes four women and one man. Anyone who is interested in drama and community theatre is urged to try out—no previous experience is necessary.

The area behind the stores on the east side of Main Street has been cleared for a parking lot and fill is being hauled in as it is available.

Parking Lot Shaping Up

The parking area back of the stores on the east side of Main St. is "shaping up," reports Superintendent of Public Works Edgar Simonsen.

About 70 yards of fill were hauled in and dumped in the area last week to start the leveling-off process. The fill was given to the village by St. Stephen's Church and came from the site of the new church building. Simonsen estimates that about 2,000 yards of fill will be needed to level the area. The land has been cleared of all brush and junk and a good gravel road runs through the area.

More fill, being donated by Ludwig Excavating, will be hauled in as it is available.

The End Of Summer

The last long holiday of the summer season—Labor Day week end—comes up this week end. A last chance to spend three days out in the country with the family, picnicking, fishing, swimming, boating, golfing. And a lot of people will be headed for their favorite vacation spots. That means a lot of cars and a lot of accidents.

There's no "maybe" about the accidents. We all know, and accept, that when Tuesday morning dawns a lot of people will have met an untimely death, and a great many more will be in hospitals fighting for their lives.

Perhaps that is the heart of the problem in trying to cut down traffic accidents. We accept them as part of the penalty of the ease and speed of our motor age.

All of them are avoidable, with proper care and thought. You can't depend on the other guy to exercise care and caution, so do everything you can to avoid getting in a spot where that dangerous driver will hurt you.

Turn on your headlights to remind oncoming motorists that this is the time for extra care.

Let's try, this Labor Day, to reverse the trend toward higher records of traffic deaths. Let's set a new low record.

Courthouse Notebook

BY LOU DURKIN

Commendation is due the Lake County Forest Preserve District Commissioners for their efforts to purchase the 1,500-acre Lakewood Farms near Wauconda as a forest preserve site and a possible site for a new four year state college.

The handsome farm and its buildings was purchased by the federal government in a foreclosure sale and now Uncle Sam would like to dispose of it and get his money back or at least part of the nearly \$2 million he paid for it.

The Forest Preserve is trying to arrange a negotiated sale and Commission President E. Kenny Harlan, of Lake Forest, met with Federal officials Friday in an effort to work out a deal.

Nothing definite was decided, but Harlan said he was "encouraged and optimistic" about the possibility. Another meeting is scheduled for September.

Under the proposed plan 300 acres of the property would be given to the state as the site for a four year college proposed for the Chicago Metropolitan Area.

The land would sweeten the pot since other areas are also competing for the university and are getting support from local governments and community-minded private citizens.

State Senator Robert Coulson made a pitch for Lake County as the site for the school and made an appeal for support from Lake County citizens, but the lack of reaction to his plea was not entirely unexpected.

The county offer could be an important factor in the selection of a college site, however.

Final judgment and selection will be Gov. Otto Kerner's and it is to be expected that the choice will be dictated in part by political considerations.

As a strictly political matter Kerner could do worse than select Lake County as the site regardless of whether he seeks a third term in the Governor's Mansion or strikes out for the U. S. Senate.

After all, you can't turn your back completely on a Governor who picks your county as the site for a new college and it is just barely possible that he could reap a bountiful harvest of votes from Lake County despite the Republican leanings of

most of the voters in the area.

A few thousand bonus votes in a Republican stronghold like Lake County could mean the difference in a close election and the two term governor is going to be in a close race regardless of which office he seeks.

There is strong logic for location of a Forest Preserve District in western Lake County, also since most of the existing or proposed forest sites are along the Des Plaines River or close to it.

A third facet of the purchase would involve a huge barn which could conceivably be utilized as a county museum.

Certainly the barn would be a better display area than the underground Nike missile at Lake Zurich where a couple of hundred thousand dollars worth of museum items are now being stored.

The proposed purchase and attendant programs outlined by Harlan and the forest preserve commissioners are imaginative and show an initiative which has been all too rare in the county government in the past.

The program deserves the support of everyone in Lake County and anyone who has any clout with Gov. Kerner or other government agencies involved in the proposal should volunteer his aid.

Students Take Part In Summer Programs

E. L. Kurek, Guidance director, Antioch Community High School, has announced that three students who will be beginning their senior year when school opens have recently completed special summer college programs for outstanding high school students.

Martin McConahay, son of Mr. and Mrs. Randall McConahay, participated in "Aggression" at St. Joseph's College at Rensselaer, Ind. The program consisted of exciting interaction between four professors and 30 selected students from throughout the United States on topics of international concern.

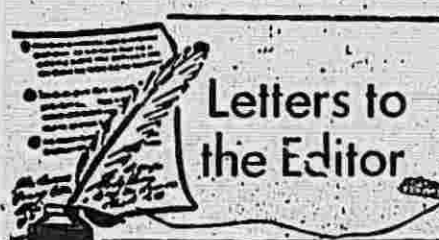

Anthony Haber, son of Mr. and Mrs. Lorenz Haber, attended the Illinois Institute of Technology in a program introducing students to the mysteries of computer programming.

How many of you reading this article realize that you have here in your County one of the finest minor league football teams in the nation, the Lake County Rifles. This is not sandlot ball but good, hard minor league football. I am currently stationed at Great Lakes as a career man, am an avid sports fan and have watched much minor league football throughout the nation and consider your team, as I say, as one of the finest I have seen.

I use the phrase, YOUR TEAM, loosely as I am amazed at the lack of attendance over the three seasons that this club has been organized. These men are dedicated athletes risking injury merely for love of the game and have brought you a 19-5 record to date, I believe, and of course are current champions of the Central States Football League. But for what reason? The mere handful of spectators that show up at each game? That stadium should be filled to capacity every home game in my humble opinion but the attendance is nothing but a disgusting display of support.

In talking to a particular representative of the club, I have suggested another area of location where I am certain support will be forthcoming and a team of this caliber appreciated.

Berlin: The Wall Gets Thicker

By Senator Paul Simon
(State Senator Paul Simon of Troy, Illinois, former newspaper publisher and author of four books, recently returned from a trip through the Middle East and Europe. The following is one of the stories he has written of his experiences.)

Anyone who wants a graphic illustration of the difference between Communism & freedom as we know it can make a journey to Berlin and see the infamous wall, which keeps untold thousands of East Germans from fleeing to West Berlin and freedom.

Not only is the wall there, but it is being rebuilt in many places to make it even more difficult to cross. And buildings near the wall are being emptied and torn down.

Two sights remain most vivid in my memory from this recent trip to Berlin.

One is the sight of the many crosses along the wall with small wreaths on them, noting where people from East Germany tried to get through the Communist barricades and were killed in the process. With each is a brief story, a story that has significance beyond the death of one individual.

The other sight I shall not soon forget is a girl, perhaps 20 years old, waving a handkerchief to her mother across the barrier. Tears were on her cheeks and I am sure also on her mother's, though her mother was too far away for me to tell that. On the West Berlin side they have erected stands periodically so that West Berlin citizens can wave across the wall to their relatives and friends, and so that Westerners who wish, can see the wall and what it means.

The most recent strength-

House of Representatives.

It is true that the measure boosts Social Security benefits by 12.5 percent for almost 24 million of our retired Social Security beneficiaries. It is also true that Social Security beneficiaries will be allowed to earn up to \$1680 annually (now \$1500) without any loss in benefits. At the same time, it increases tax rates and the level of income subject to tax—in order to defray the cost of the added benefits. Certain other minor adjustments are made in favor of beneficiaries.

But take note of these—individual initiative—changes in the public welfare provisions of the House bill:

(1) States will be required to establish training programs for unemployed parents and older children receiving relief payments. Parents' failure to take part in training programs, where appropriate, will result in loss of payments.

(2) States must provide day-care centers so that mothers may take job training and find employment.

(3) Welfare recipients may work and earn money without losing benefits.

(4) States will be required to make birth-control information available to all who request it.

The new measure also amends the controversial Title XIX of the Medicare program relating to the payment of doctors' bills. Under an interpretation of the original law, some states (notably New York and California) sought to make this program available to all persons—regardless of income—and virtually without limitation as to the amount of the medical expense with the Federal Government to defray most of the cost of those programs. The new proposal excludes those who should be able to pay their own doctors' bills and limits the program to persons whose earnings are 50% above the level for receiving welfare aid in any state.

Some critics may accuse the House of Representatives of being heartless for refusing to extend medicare benefits to the disabled—or by omitting to grant special \$100 per month minimum payments to persons who have been under Social Security program for 25 years.

However, the experience of other countries with comprehensive welfare-state programs—inadequately financed and actuarially unsound—has enlightened the Members

Announce Exams For Jobs In Post Office

Donald L. Swanson, Regional Director, Post Office Department, announced today that the Chicago Board of United States Civil Service Examiners is accepting applications to fill Substitute Carrier positions in all First or Second-Class Post Offices and Sectional Centers located within the state of Illinois.

Mr. Swanson stated that a written test is required and that eligibility on this one examination could qualify a person for employment consideration at any First or Second-Class Post Office and Sectional Center throughout the State. He also stated that persons already on Illinois Post Office Clerk-Carrier registers may now extend their eligibility to additional Illinois Post Office registers or re-compete in this examination for the purpose of improving their score. Eligibles will be certified to the office for which they indicate a willingness to accept employment in the order of their score regardless of their residence.

The starting salary is \$2.64 per hour with regular increases to \$3.60 per hour. Applicants must be at least 18 years of age, but there is no maximum age limit. The minimum age limit is waived for high school graduates. They must be at least 16 years of age; however, those who are under 18 cannot be considered qualified for carrier positions in which motor vehicle operation is required.

The positions being filled from this examination are mostly full time positions and of career nature, offering job security, on the job training, low cost health and life insurance, sick leave with pay, 13 to 26 days paid vacation depending on length of Federal Service, cash for suggestions and a liberalized retirement. For example, an employee with a five year average salary of \$7,267 and thirty years of service would have earned an annuity of \$4,087 per annum.

Bicycling— Know the Rules

Bicycling is at its all-time peak of popularity with more than 23 million bike riders in America alone.

Through various safety programs and good safety practices by most of the riders, the number of bike accidents has remained about the same despite this growing popularity.

Still, more than 400 Americans—about four out of five of them in the 5 to 15 age bracket—are killed each year in accidents involving bicycles. Another 25,000 cyclists suffer disabling injuries.

It is the purpose of this article to remind bike riders, particularly our young cyclists, of good safety practices.

in the hope that we can subtract even one from the number of deaths or injuries.

Good safety habits and a safe bike help assure bike fun for everyone.

To Boys and Girls with Bikes:

Your car has two wheels and handlebars.

Its gasoline is your two feet.

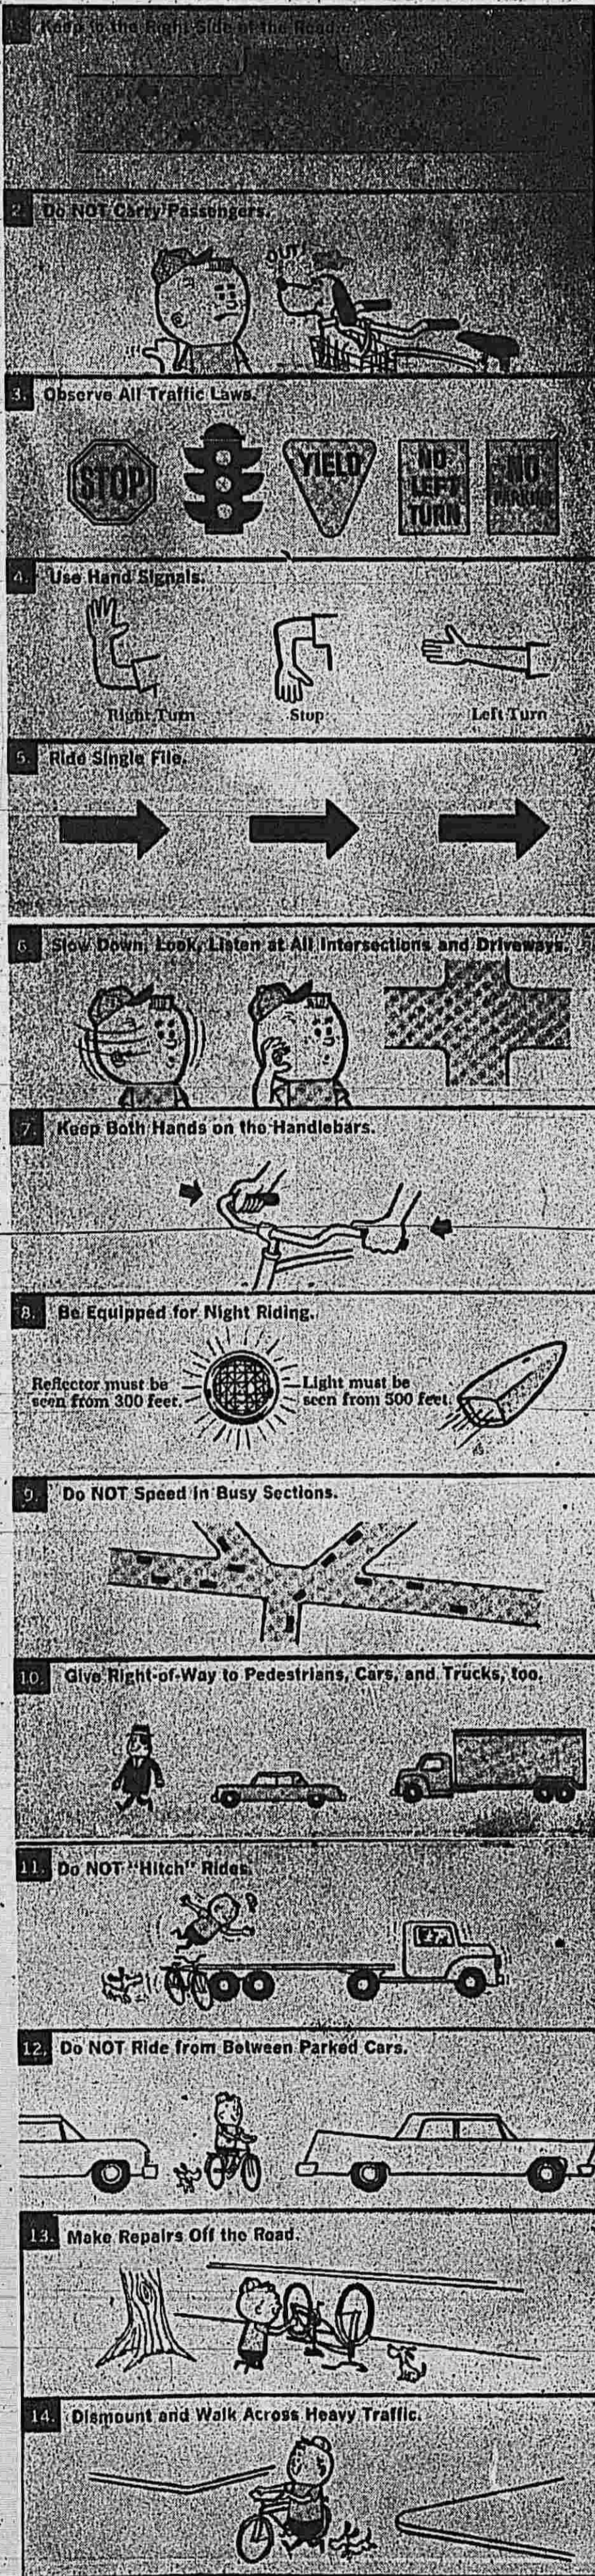

You can ride it like an expert.

But the point is—can you handle it the way it ought to be handled?

There are rules and regulations for bike riding, just as there are rules for football. If you know the rules, you can play the game of bike-riding on the square. If you observe them carefully, you can make a good start on handling a bike properly—and properly handled, a bike is safe transportation.

Clip and save these rules.

Basic Bike Safety Code

Keep them where you can easily use them for future reference.

RULES OF SAFETY

1. Keep to the right and close to the curb or side of the road.

2. Never ride after dark unless necessary, and then only if bike has headlight and taillight or a reflector as required by law.

3. Obey all traffic laws, signs and signals.

4. Keep brakes, steering mechanism, horn and other safety devices in good order.

5. Do not ride with two on a bicycle.

6. Learn to use the hand signals for turns and stops.

7. Never hitch on to a truck, car or other moving vehicle.

8. Do not speed, race or weave in and out of traffic.

9. Never ride two or more abreast in the street or on the sidewalks.

10. Avoid busy streets and give automobiles the right-of-way.

11. Keep both hands on the handle bars, except to signal a turn or stop.

12. Never ride out of a blind driveway or alley on to the street without stopping.

13. Slow down on street corners.

14. Dismount and walk across dangerous intersections. Do not turn or cross unless it is safe.

15. Do not coast in traffic or make sudden stops.

16. Never squeeze into narrow places between two automobiles.

17. Always ride with caution and courtesy.

KNOW YOUR BICYCLE

1. Inspect tire valve.

2. Chain links: Keep snug fit, clean and lubricate.

3. Pedals: Lubricate bearings and spindle. Replace worn threads.

4. Crank hanger: Lubricate and keep clean. If wobbly, take to service man.

5. Tires: Inflate to correct air pressure.

6. Spokes: Replace broken ones promptly.

7. White light: Must be visible 500 feet.

8. Fork bearing: Lubricate and adjust.

9. Handle bars: Adjust to body and tighten. Keep stem well down in fork. (English or foreign type bicycle has hand brakes and shifting lever on handle bars. Check manual for instructions.)

10. Warning device: Keep in working order.

11. Handle grips: Replace when worn. Cement on tightly.

12. Saddle: Adjust to body. Tighten all nuts.

13. Frame: Check for cracked joints.

14. Red reflector: Must be visible for 300 feet or red lamp at 500 feet.

15. License plate: Put in readable position.

16. Coaster brake and wheel bearings: Adjust and lubricate. For foreign type bike, check manual.

17. Be Equipped for Night Riding.

Reflector must be seen from 300 feet. Light must be seen from 500 feet.

Do NOT Speed in Busy Sections.

Give Right-of-Way to Pedestrians, Cars, and Trucks, too.

Do NOT "Hitch" Rides.

Do NOT Ride from Between Parked Cars.

Make Repairs Off the Road.

Dismount and Walk Across Heavy Traffic.

Color Film At Church

"Silent Witness," color motion picture about a teenager who broke his promise to God will be shown September 3 at 7:00 p.m. The film's appearance in this area is being sponsored by the Antioch Ev. Free Church, Tiffany Road at Highway Drive. The public is invited.

Shot on location at Warren Central High School in Indianapolis, Indiana, Silent Witness features a cast of teenagers who produced the film as a unique project.

Students from throughout the Indianapolis area combined forces to serve as actors, extras, set dressers and gaffers during the three-week period when a crew from Gospel Films, Inc. of Muskegon, Mich., producers of the film, was in their city.

The scenario is based on an actual incident, and combines humor and heartache to catch the pulsebeat of life in a modern high school.

It is the story of a teenager named Bill who, challenged by the words of a speaker at his high school Bible Club, promises the Lord he will invite Nick, the school's top athlete, out to hear the Gospel.

What happens when Bill fails to keep his promise provides one of the most provocative spiritual documents ever brought to the religious screen.

The beautiful color photography was handled by James Canon. Ken Anderson who wrote the story and produced the film "Seventeen," provided script and direction.

Billy Zeoli, one of America's most successful youth leaders, supervised activities in Indianapolis.

"Silent Witness" is one in a series of films planned by Gospel Films on stories taken from real life.

County Group Discuss Plans For Sesquicentennial

Representatives of Lake County Chambers of Commerce met at the Swedish Glee Club in Waukegan last Wednesday to discuss plans for celebrating Illinois' Sesquicentennial next year.

Dale Starkey represented the Antioch Chamber of Commerce at the meeting.

Bob Post, secretary of the Steering Committee, said that millions of dollars will be spent in promoting tourism in Illinois during the Sesquicentennial year.

The County's Steering committee, appointed by the chairman of the board of Supervisors, is arranging other meetings with educators, artists' groups, musical groups, etc. to endeavor to encourage activity in all areas of the community.

A County history will be brought up to date and published. The County Fair will highlight Sesquicentennial activities.

Each community will plan and develop its own activities during the year-long celebration.

December 3, 1967, is the

first day of the Sesquicentennial year. Possible plans include dedication of the Lake County Courthouse to open the celebration. Essay contests for school children concerning the history of the county were mentioned. Some communities are having awards for the first baby born after Dec. 3.

The State is not giving any financial aid to communities for their individual celebrations, but is spending money on State promotions.

Jack Leland, Field Representative, said that no tax money will be spent by the State, only funds from the permutual windows at the race tracks will be used.

It was mentioned that Fort Sheridan and Great Lakes should be included in the County's activities, with special days, etc. It was suggested that the steering committee contact all Mayors and suggest that the 150th year theme be used on vehicle tags.

The Steering Committee hopes to get communities to set dates for all scheduled activities as soon as possible so that a County calendar of events can be prepared.

Regular services at Millburn Congregational Church at 10 a.m. Sunday, Sept. 3.

The Devotional Study group met at the home of Mrs. Carl Anderson Thursday morning with 10 members present. The next meeting will be held with Mrs. Herbert Prange of Waukegan Thursday, September 14 at 9 a.m.

The September committee of the Ladies Aid will serve a Cafeteria dinner to the public Thursday, September 7, at 12 noon. The chairman of the dinner is Mrs. Emmett King and co-chairman Mrs. Milton Bauman. The program will be conducted, "Youth versus Age" by Mrs. George DeYoung, and devotions by Mrs. LaMont Ray and the business meeting will be held in the church parlors at 1:30 p.m.

Millburn Home Sunday
The Annual Millburn Home Sunday will be held at Millburn Congregational Church Sunday, Sept. 10. Services at the regular time at 10 a.m., followed by a pot-luck dinner. Families are asked to bring a dish to pass. Meat, butter, rolls, coffee and dessert will be furnished.

The fall thrift sale will be held in Millburn Church Saturday, Sept. 16.

Mr. and Mrs. John Edwards and daughters, Susan and Lynn of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards.

About 40 members and friends of the Social Club enjoyed an "out to dinner"

last Tuesday evening at the Bristol Country Club.

Mr. and Mrs. Raymond Hauser and daughters of Minominee, Michigan are visiting the Clark and Hauser homes. Sunday evening guests at the home of Mrs. Harley Clark were Mr. and Mrs. James Bonner and family of Kansasville, Wis., and Mr. and Mrs. Clayton Engh and daughters of Gurnee.

Good weather is no safeguard against traffic accidents. Eighty per cent of the 52,500 traffic deaths in 1966 occurred in clear, dry weather.

Social Security Checks Mailed Early

Social security checks will be delivered Saturday, Sept. 2, a day earlier than usual, Postmaster General Lawrence F. O'Brien announced today.

Mr. O'Brien said the treasury Department and the Social Security Administration made the arrangements with the Post Office Department for the earlier delivery to avoid hardship among the more than 20,000,000 persons on social security.

Because Sept. 3 is a Sunday, delivery of the checks normally would be made on Monday, Sept. 4. However, since Monday is the Labor Day holiday, the Saturday deliveries will avoid a 2-day wait until Tuesday, Sept. 5.

To insure against any erroneous holdover of the checks until Sept. 5, the Treasury is providing envelopes with printed instructions showing that delivery must be made on September 2.

Instructions are also being placed in the Postal Bulletin covering the earlier delivery as further insurance against misunderstanding by postal personnel.

Mrs. Bernhard Hans Andresen

McNeill-Andresen Wedding In Ohio

Miss Jean McNeill became the bride of Bernhard Hans Andresen Saturday, August 18 in a ceremony at Faith Lutheran Church in Kent, Ohio.

The Rev. Hillard Ranta performed the double ring ceremony. The bride is the daughter of Mr. and Mrs. Carl E. McNeill, 1317 Woodhill Drive, Kent. The groom is the son of Mr. and Mrs. Bernhard Andresen of Lake Villa.

The bride, given in marriage by her father, chose a floor-length gown of white satin. The Empire re-embroidered lace bodice featured a Sabrina neckline and elbow-length sleeves. A white satin Dior bow held her bouffant veil of illusion and she carried a nosegay of white carnations, daisies and stephanotis. The bride's only jewelry was a single strand of pearls, the gift of her maternal grandparents, Mr. and Mrs. W. W. Purdy of Mansfield. For something old she carried the handkerchief which her mother used at her wedding 27 years ago.

Miss Linda Zonar of Kent was maid of honor. Miss Margaret Hage of Quincy, Ill., college roommate of the bride, was bridesmaid. Both wore floor-length dresses of aqua-silk lined accented with softly draped lace panels attached at the shoulder. Their matching veils were accented with Dior bows and they carried nosegays of white daisies and ivy.

Douglas Schill presented a program of organ nuptial music while the guests were seated. Robert Reeder of Oak Park, Ill., was best man and James Cooper of Silver Springs, Md., was usher.

The 4 p.m. wedding was followed by a buffet supper in the garden at the McNeill home. Flower arrangements in blue and yellow decked the tables where 90 guests were seated. During the supper, organ melodies were presented by Don Moore. Miss Ellen Bartlett, cousin of the bride, circulated the guest book.

Mrs. McNeill, mother of the bride, wore an aqua alaskine dress with matching whimsy. The bridegroom's mother wore a gown of ice green peau de soie. Both wore orchids.

The newlyweds left for their home in Texas after the reception.

The bride was graduated from Laurel School, Cleveland, attended Smith College in Northampton, Mass., and was graduated in May from Southern Methodist University in Dallas. She is employed as a credit analyst for Dun & Bradstreet.

Mr. Andresen, an alumnus of Northwestern University, Evanston, received his master's degree in electrical engineering from Southern Methodist Aug. 12. He is an engineer with Texas Instruments.

Carolyn McIrvine

Plan October Wedding

Mr. and Mrs. Carl McIrvine of Cope, Colorado, announce the engagement of their daughter, Carolyn, to Roger Van Patten, son of Mr. and Mrs. Laurel Van Patten of Antioch.

Miss McIrvine is a graduate of Liberty High School and Northeastern Junior College, and is attending Colorado State University with a major in General Home Economics.

Van Patten graduated from Antioch Community High School, Southern Illinois University and Colorado State University with a degree in Industrial-Construction Management.

He is employed by Fansteel Metallurgical Corp. in North Chicago as a department engineer.

An October wedding is being planned by the couple.

W.S.C.S. MEETS WEDNESDAY

The Women's Society of Christian Service of the Antioch Methodist Church will meet Wednesday, Sept. 6, at 12:30 p.m. at Wesley Hall.

Devotions will be given by Mrs. Roy Kufalk. The program will consist of a film, "The New Age in Japan."

Hostesses for the day will be the Martha Circle.

Honeymoon In Wisconsin Dells

By Mrs. Bernice Bernau

The former Miss Janice Sonandres, daughter of Mr. and Mrs. Roger Sonandres, 53 Longmeadow Dr., Lindenhurst, and Richard Byrd, son of Mrs. Gertrude Byrd of Elgin, were married July 8, in Prince of Peace Church, Lake Villa. The Rev. David Lynch officiated.

The bridegroom's sister, Mrs. Bill Montayne of Huntley, was matron of honor. The bride's sisters, Mrs. Terrence Neuzil and Mrs. Kenneth Hawking, were bridesmaids.

The bride chose a gown of bombazine and lace with

an overskirt detail. The skirt was bouffant with lace tiers at the front and had a detachable lace chapel train. Her attendants wore dresses with pink skirt and white bodices, trimmed with white pearls at the waist.

Kenneth Hawking served as best man, and Terrence Neuzil and Bill Montayne were ushers.

A reception was held at the Lindenhurst Civic Center. Their honeymoon was spent at the Wisconsin Dells. They are living in Waukegan at 1134 Grand Avenue.

The bride is a graduate of Lake Villa Grade School and Antioch High School.

Mr. and Mrs. Joseph Kennedy

Janet Polley Weds Joseph Kennedy

The Rev. Donald Cobb heard the nuptial vows of Janet Polley and Joseph Kennedy in an afternoon wedding at the Antioch Methodist Church Saturday, August 26.

The bride is the daughter of Mr. and Mrs. Warren Polley of 998 Osmond Ave., Antioch. The groom is the son of Mr. and Mrs. David Kennedy of 8632 Frontage Road, Morton Grove.

The bride, given in marriage by her father, wore a floor-length gown of white crepe. A bow at the back neckline cascaded into a train, and a bow held her fingertip veil. She carried white daisy mums and stephanotis.

Mrs. Clyde Sinters, Jr., of Ames, Iowa, sister of the bride, was matron of honor. She wore a gown of apricot ottoman voile and carried a basket of yellow daisies and bronze mums with a headpiece of the same bloomers.

The bridesmaids were former roommates of the bride

Trip To Expo 67 Follows Wedding

A wedding at Prince of Peace Church August 5 united Barbara A. Swoboda and James Bruski, Jr.

The double ring service was conducted by the Rev. David Lynch. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. Louis J. Swoboda, Jr., of Lindenhurst. The groom is the son of Mr. and Mrs. James Bruski, Sr., of Lake Marie.

The bride's gown was of peau de soie with flower appliques, embroidered with seed pearls and crystals. Her train was of chantilly lace. A two-tier crown held her finger-length veil. She carried white carnations with two white orchids.

Jeanne Blum of Philadelphia, Pa., was maid of honor. Bridesmaids were Lynda Rodge, Lynda Carlson and Edith Bruski, sister of the groom.

The gowns of the bride's attendants formed a rainbow of colors. The maid of honor

wore an apricot gown and carried mixed color carnations. The bridesmaids were gowned, respectively, in green with apricot carnations, yellow with nile green carnations and blue with yellow carnations. Flower girl Penny Barnes wore a pink dress and carried blue carnations.

Richard Kuxhouse, Round Lake, was best man. The ushers were Steve Christol, Peter Vanderkloot, Dennis Meaz, Dennis Bierkamp and Thomas Bierkamp. Eugene Barnes was ring bearer.

A reception for 200 guests was held at the Lindenhurst Civic Center. The couple are at home at Lake Marie after a honeymoon trip to Expo 67 and Niagara Falls.

The bride and groom are both graduates of Antioch High School. The former Barbara Swoboda is employed at Ammco Tools, Inc., at North Chicago.

Mr. Bruski is a student at K.T.I. in Kenosha and employed at Gurnee Discount Store.

Wed At Prince Of Peace Church

By Mrs. Bernice Bernau

Miss Barbara Ann Warchal, daughter of Mr. and Mrs. John Warchal, 512 S. Deer path Dr., Lindenhurst and Gerald Neophitos, son of Mr. and Mrs. Ross Stamer of Chicago, were married at 2 p.m. August 12 in Prince of Peace Catholic Church. Father David Lynch performed the nuptial Mass.

Miss Diane Berek of Chicago was her cousin's maid of honor. Bridesmaids were Miss Karen Koffler of Ingle-side, the bride's cousin, and Miss Donald Ecyces of Chicago.

Neil Boeykens was best man, and John Filis and John Warchal were ushers.

The bride chose a gown of silk organza and lace over taffeta with an overcoat which fell to a chapel train. Her bouffant illusion veil was attached to a pearl and lace headpiece. She carried white gladioli.

They received a papal blessing from the groom's brother, Father Angelo Neophitos, who is studying in Europe and was in Rome recently.

After a honeymoon to Expo 67 and Niagara Falls, the newlyweds are now at home

in Lake Zurich.

Miss Warchal is a graduate of Lake Villa Grade School and Grayslake High School.

Vacation

Bob and Marion Hammitt recently returned from a four week tour of the south. They visited Gettysburg, and saw the Gettysburg National Military Park, scene of important battle, and Civil War landmarks. Taking the Sky Line drive they went through the Shenandoah Forest to Blue Ridge Park, and then riding the top of the crest they went through Maryland and then into Greensboro, North Carolina, where they visited friends and toured sites where the Revolutionary War was fought. Viewing more landmarks and museums. Their trip took them through West Virginia, Virginia and Kentucky, where they stayed three days. While on a tour of Carver Caves the Hammitts and their guide were locked in for a while and had to call for help. Coming back to Carbondale they visited with friends there for two days. Saturday was the Hammitts' 28th wedding anniversary. To celebrate the occasion they went out for dinner.

Bob Hammitt, Jr., has just graduated from gunners-mate school and will be attending school at Great Lakes for the next eight weeks.

Holiday fun and traffic accidents don't have to go hand in hand. There's a divine basis for safety explained in the Bible. Listen Sunday at 7:00 a.m., 8:00 a.m., and 9:30 a.m. to "A FRESH LOOK AT HIGHWAY SAFETY."

Kids Hold Carnival For MD

Eleven enterprising children from Fox Drive east of Antioch used some of their summer vacation time to raise some money for those less fortunate than themselves, and had a good time doing it.

The youngsters held a carnival Sunday, August 20, and collected \$44.42 for the Muscular Dystrophy fund.

They got the idea from a TV program on Channel 12. The Lippy Lucy MD Carnival kit was sent to them when they requested it, with suggestions for games and booths.

The youngsters collected books and games and sold them; the girls baked cup cakes and popped corn for sale at the carnival while the boys set up a refreshment stand and sold hot dogs and soft drinks. All of them used their own money to buy prizes to give in game booths—a balloon bust, a fish pond and of course, a penny pitch.

They had a good turnout of grandparents and other relatives in addition to children.

The eleven children are Richelle and Keith Radke, Kevin and Brad Fox, LeAnn and Lance Buchta, Barbara Hansen, Michael Leber, Debbie Broecker and Linda and Gary Myers.

TRAFFIC FATALITIES UP

Traffic fatalities in Illinois for the first 15 days of August totaled 128, according to provisional reports by the Division of Highways and the State Highway Police. This was an increase of 8% over the 119 traffic deaths reported during the same period in 1966.

A drunker ghost is a happy medium.

church will receive Holy Communion at the 8 o'clock Mass next Sunday.

The Sodality will hold their monthly meeting Sept. 6, starting with Benediction at 7:30 p.m.

Ladies of the parish are invited to attend a Day of Recollection at the Abbey at Benet Lake, Wis., on Sunday, Sept. 17. The day will begin with Mass at 10:30. The donation for the day will be \$3 which will include a chicken dinner. To make reservations, or for more information call Mrs. Dolores Povilis at 356-5209.

Hospital Patients

Mrs. Patty Joerns, 1905 Pinecrest Lane, has been in St. Therese Hospital for the past week for observation.

Manfred Thomley, Rolling Ridge Lane, underwent surgery at Victory Memorial Hospital a week ago. He is recovering at home.

Employee Picnic

Forty-five people attended a picnic at the home of Philip and Mary Beth Rezin, 55 N. Hawthorne Dr., last Sunday. They were the 17 employees and their families who work for the National Tea Company in Arlington Heights.

Mr. Rezin has been manager since last March. He formerly managed the Round Lake store. The group played cards, ate, and just had a good time visiting.

The Hunting club of the Antioch Moose Lodge elected their new officers at the Moose Home, Thursday evening, August 24. Newly elected officers are Ted Wilkison, president; Harold Klemperer, vice-president; Jerry Kusch re-elected secretary and Ed Kurtz re-elected treasurer. These new officers will take over at the next scheduled meeting for the hunters which will be on Thursday, September 28.

The pheasants for next year's hunting season have already been purchased by outgoing president, Leonard Huhn, and most of the plans have been set for the opening days of the hunting season. Wilkison has lined up a whole lot of new ideas and plans which he intends to bring up at the next meeting. Control shooting, which is one of the things left on the undone schedule, is number one on the list.

Bringing the membership list up to date is another feature, and planning money making activities is another step.

The membership, which had been limited to only 50 members the first year, may be increased for the coming year. Confirmation to this statement will be acknowledged at the next meeting. Membership qualifications are that you must be a member of the Loyal Order of Antioch, No. 525 before you can join the hunting club. For the next few weeks the members will be busy repairing fences around their hunting grounds.

The Convention for Moose members will be held in Peoria this year starting September 29 through October 1st. Anyone who is planning to attend and has not made their reservation yet are asked to do so at once if you intend to get space.

A meeting is scheduled for the officers of the Loyal Order and the Women of the Moose at the Moose Home on Wednesday evening, Sept. 6. A ritual practice will be held at the Antioch Moose Home Monday, Sept. 11, at 8 p.m. This is for the Loyal Order and all members taking part on the ritual staff are asked to be present.

EDITOR OF COLLEGE MAGAZINE

Miss Marilyn Gras, the daughter of Mr. and Mrs. Frederick Gras, Rt. 4, Box 74, Antioch, will be the editor of Century, a literary magazine published in late spring at Carroll College. She will be editor for the 1967-68 school year.

There are a lot of heated arguments over cold cash.

3 In A Row For Harris

The 50 lap jinx struck the Waukegan Speedway for the sixth time this season Saturday night as two showers in the afternoon drenched the track and grounds. The 50 lap summer championship for the late model division is now set for Monday night, September 4. There will also be fireworks on that special night of racing.

LARGE FIELD SUNDAY

The gloomy and chilly weather threatened to cancel the races for the fifteenth time this year at the Waukegan Speedway Sunday night, but instead a large field of modified stock cars showed up for a torrid series of races.

Whitey Harris continued his win spree with his third consecutive victory with a narrow 30-lap, feature win over Bill Bohn. Harris is now only 15 points behind Bohn in the championship point standings as these two battle it out for the driving title.

Jim Ouellette paced the feature field until the midway point after Bill Ansell spun while leading in the second lap and John Martin retired two laps later while in first spot.

At 10 laps it was Ouellette, Mouse Wade, Bohn and Harris in close formation. Harris passed Bohn on the next lap, was second one lap later and into the lead on lap fifteen. Bohn was second on the 17th.

Bohn closed in on Harris and nearly passed him on the 25th lap and again on the final lap. Bohn kissed the wall as the two took the checkered flag. Ouellette finished third ahead of Gino Wagner and Roger Von Otto.

John Reimer, Harris' biggest contender in recent weeks spun completely (Continued on page 6)

Major League Adopts New Name, Team Limit

The Major League at the Antioch Bowl will start its season Friday, Sept. 8, with a new name and some new rules.

The new name and a limit on team averages were approved at a meeting of the league membership last Friday night. The league was renamed the Antioch Scratch league. A limit of 875 team average has been imposed. Ten teams were represented at the meeting.

FERRARA GETS CREDIT FOR CHARGING IT

An article in the current issue of SPORT magazine reveals how Dodge outfielder Al Ferrara improved his fielding. "I've learned to charge groundballs," says Ferrara. "I got a credit card."

The league is aiming for twelve teams. The following teams have signed up for this season: Fargo Ice, Blumen-schein Excavating, Miller Insurance, John Gaa Oil, Kennedy's Pro Shop, Cermak Realty, Volo Bait Shop, Joe & Helen's and Modern Music.

A new team has been formed which is looking for a sponsor. The team is made up of Russ Dewar of Lake Villa and his five sons. One member of the team will be the sixth man. All average 170 plus.

Ken Blumenschein, Lake Villa, was elected president of the Antioch Scratch league and Steve Bain of Bristol was chosen secretary.

Jim Sullivan of Antioch is shown in his new modified stock car that has been the subject of much talk among not only the fans but the drivers and car owners at the Lake Geneva Speed Center. Sullivan proved that it will be a front running car when he almost had that spot in Thursdays races at the Speed Center and then spun out.

Kenosha Driver Captures 1st Win

Bill Bohn of Kenosha returned to the win column at the Speed Center last Thursday night as he slipped into the lead from third spot and captured his first win in a modified stock car feature race at the Lake Geneva Speed Center since July 21.

Fuzzy Fassbender led the race throughout the first 27 laps but had a terrific battle with Don Sorce from the 10th lap on. Many times Sorce drew along side of Fassbender and several times rode into the turn slightly ahead but Fassbender kept control of the lead each time they came off the corner.

Finally, with Bohn working his way up from seventh spot, the pressure got too much for both of them and each went wide into the number one turn allowing Bohn to slip in under them for the lead and the win.

Finishing behind Sorce in third was Roger Otto. Next was Don Schuppel, Duane Harris, Phil Horsch, Denny McKay and Hen Hanson. Jim Sullivan, driving his new low clearance modified was up as far as third at one time and made a bid for the lead but spun out of the race in the third turn. He recovered, spun again later and still continued to get 11th spot.

The exciting night of racing was not only sparked by several close wins but a near blackout, too, as Leo Dunivan of Delavan, while trying to push his way to victory in the second late model stock car heat, lost control of his car, went up and over a guard rail pushing over a track light pole. Five other back straightaway lights were also put out but it was the last lap and the race ended with Bruce Johnson the winner from third spot with Bob Roper second, followed by Gary Drews.

Roper came back to win the feature for the late models and Peter Beitz won the other late model heat.

Modified heats were won by John Champlin, Schuppel, Horsch and Fassbender. Tom Anderson of Antioch set fast time for the modifieds, averaging 60.48 MPH. It was Tom's first fast time and his

father, Andy, racing for the first time, was the slowest. It is believed that this is the first time a father and son combination has ever been at both ends of a qualifying order.

SATURDAY NIGHT

While many tracks again suffered race cancellations due to weather, the Lake Geneva Speed Center was forced to cancel its scheduled Saturday night's races when an accident broke a main power cable. During races at the Speed Center Thursday night a car hit a backstretch light pole and broke it off at the ground. When an attempt was made to move a new pole into position the accident occurred and the damage could not be repaired in time to hold the scheduled race program.

The problem was corrected in time to hold the drag races the next day and thereby assured everyone that the stock car races set for Thursday night, Aug. 31 and Saturday night, September 2, could be held without further interference.

The Thursday races will mark the end of the week night races for the balance of the season but Saturday night racing will continue throughout the month of September. The final Thursday night race will feature another of the popular Ladies Powder Puff races. Some of the lady drivers will be attired in brief swim suits for the occasion. The modified and late model stocks will also be on hand for their final Thursday night run.

The Saturday night, September 2, will feature a 50 lap modified stock car race. The Saturday night, September 2, race will feature a 50 lap modified stock car race.

Roger Otto of Burlington still leads in point standings but is now facing his slimmed margin of the year as both Bill Bohn of Kenosha and Duane Harris are close enough to be able to take over the number one spot before the end of September.

Rifles Trounce Chiefs

The Lake County Rifles football team continued their winning ways by trouncing the Manitowoc Chiefs 34-0 in a Central States contest Saturday evening. Threatening clouds hovered over Weiss Field throughout the game but the rains held off. However, the Rifles generated plenty of thunder of their own when early in the first period, halfback Dick Wolf grabbed a Chief punt and raced 90 yards for a touchdown.

After a later exchange of punts, Rifle quarterback Lew Flinn whipped a 27-yard toss to Angelo Dabiero for the Lake Countians' second score. Both conversions were missed and the Rifles held a 12-0 lead after the first stanza.

The Lake County defense turned in its outstanding performance to date as they put constant pressure on Chief quarterback Gregg Zastrow. Four times Manitowoc lost the ball on fumbles. One of these in the second period was fallen on by Don Pyles in the end zone for another Rifle tally. Wayne Miller's boot found the mark and the score mounted 19-0 Rifles favor.

With just 18 seconds left until halftime, Flinn uncorked another TD aerial 25 yards, again to Dabiero. The Central States League champs left the field at intermission with a 25-0 lead.

Defensive halfback Dick Wolf brought the elated fans to their feet several times in the third period with interceptions and another 63 yard punt return only to have both nullified by penalties.

The Rifle scoring machine was not stymied, however. Lew Flinn demonstrated why he was selected the league's MVP last year when he hit Dabiero a third time with a quick look-in pass. The for-

Top Grapplers On Card At Twin Lakes

The Wonderbar Ballroom in Twin Lakes, Wis., will be the scene of the only All-Star Professional wrestling card to be promoted in 1967. A fine array of talent has been procured by the local promoters to bring one of the finest cards to Twin Lakes on Sunday, Sept. 3, starting at 8:30 p.m.

The talent is of such high caliber that the promoters have had difficulty in decid-

ing which match should hold the feature spot, so have just decided to call it a "Triple Feature Card."

In a one hour time limit tag team match four of the Nation's top girl contenders will meet in a two out of three fall contest.

One team will be composed of Jean Lane of Chicago, who at 135 trim pounds has often been labeled one of the most beautiful in the

game. Her partner will be Sharon Lass, another Chicagoan who is long on looks, and even longer on ability. She will also weigh in at 135 lbs.

They will oppose the rough but equally attractive team of Columbus, Ohio's Rita Crawford, who weighs a capable 140 lbs. Her partner will be red-headed Cheryl Williams, a 140 lb. beauty from St. Louis, Mo. This match alone should be well worth the admission price.

Johnny Gilbert, one-half of the Midwest Tag Team Championship team will oppose the "Destroyer," a heavy-weight masked man who has been "destroying" opponents regularly on Chicago's TV channels 26 and 32. This is also a one hour time limit with the Destroyer vowing he will take off his mask if defeated.

In another outstanding match Billy Goetz, the other half of the Midwest tag team top team will take on Johnny Kace, rough customer from Antioch. Goetz is from Fox Lake, and at 200 lbs. will be giving Kace a 28 lb. advantage. Tickets on sale at Frank Young's arcade and Twin Lakes Bowling alleys.

Announce Dates Of Duck Season

Duck season will begin at sunrise, Saturday, October 28, and end at sunset, Wednesday, Dec. 6. Hunting hours will be from sunrise until sunset every day of the season.

The daily limit is four ducks and the possession limit is eight ducks. Not more than two mallards, one wood duck, or one carverback may be included in the daily bag.

The seasons for coot and jack snipe run concurrently with the duck season. The daily bag limit is 10 coots and the possession limit is 20. Eight snipe may be killed in one day and 16 retained in possession. The possession limits and the bag limits are the same on opening day.

Goose season will begin at sunrise, Monday, Oct. 16, and end at sunset, Wednesday, Dec. 6, except in Alexander, Union, Williamson and Jackson Counties. Hunting hours are from sunrise until sunset. The daily and possession limit is five geese.

In Alexander, Union, Williamson and Jackson Counties, where most of the geese taken in Illinois are killed, the season will begin at sunrise Monday, Nov. 13 and end at 3 p.m. Sunday, Dec. 24, unless a state quota of 20,000 geese is bagged before the scheduled closing date.

(continued from page 5) around on the tenth lap and continued without stopping, but lost valuable time on the leaders. He finished seventh and still holds fourth spot in the points behind Von Otto.

Reimer caught the crowd's fancy in the fourth heat as he raced from the rear to pass two cars in the final turn and win the fourth heat in a near three way photo finish as a fourth car spun wildly into the infield. Fran Ansell lead the first nine and three-quarters lap with Otto, Reimer and Wagner in hot pursuit.

On the final turn Reimer swept high, and Ansell went high with Otto and Wagner diving inside the two as all four raced side by side out of the fourth turn. Reimer, inched past Ansell with Otto a scant third and Wagner looping into the infield.

Double championship points are at stake in next Sunday's 50 lap feature and the balance of the card. A large field of cars are expected for these races.

Modified racing continues at Waukegan on Sunday nights through the end of September.

Babe Ruth Wrap-Up

Some of the Babe Ruth league players were inadvertently omitted from the season's end wrap-up story. There they are, with their batting averages: Ron Turzy, .340, 44 AB, 15 hits; Gary Pawlowski, .304, 23 AB, 7 hits; and Dan Sterbenz, .300, 40 AB, 12 hits.

Anyone For Soccer? League Needs Teams

Thanks to the all-out efforts of a few dedicated men and the teams who back them up—soccer is fast becoming a sport to be reckoned with in McHenry county.

Leo Hartog, Walt Vitavsky and Curt George, who form the board for the Wonder Lake Mustangs, devote many hours every week to the development and promotion of their team. The Crystal Lake Bombers have Tony May as their manager and coach, and the McHenry Blues are under the direction of Bill Thomas.

Now some of these managers would like to see a team formed in the Antioch area. They feel sure there must be the nucleus of a team in this area.

An article in a paper less than three months ago asking if anyone was interested in soccer brought a flood of calls to Leo Hartog in Wonder Lake. It seemed many were interested and wanted to do something about it. As a result, the formation of a McHenry County Soccer League is well on its way. However, more players are needed, and more interested adults who want to help in getting the league going.

The attendance at the McHenry County games grows with each game, a member of the Mustangs reports, and you never heard a more enthusiastic group.

Once again, if anyone is interested in soccer, or if you need help in getting a team started, any of the fol-

lowing will be glad to come out and give you a hand: Leo Hartog, 815-653-7176; Walt Vitavsky, 815-653-9158 or Curtis George, 815-385-2373. Please call after 5:30 p.m.

A soccer game will be played at Christ the King Church in Wonder Lake Sunday, September 3, starting at 2 p.m.

ACHS Football Squad Uncertain Quantity

With the football season rapidly approaching and practice under way, Coach Roy Nelson is keeping his fingers crossed and hoping for the best.

Antioch High School lost the nucleus of an outstanding team through graduation last spring. Four other members of the squad are lost to this year's action because of moving, age or injury.

Nelson says he still had a solid line, but the backfield is made up of boys who never got into a game last year. With stars like Walls, Sheldon, Zeman and Whitson gone on to college, it's anybody's guess how this year's squad will shape up. "Don't count them out," Coach Nelson said, "What they lack in experience they make up in discipline and desire to play."

Antioch's first test will come against Salem Central at the Antioch High athletic

field at noon Saturday, Sept. 16. This will be a non-conference game. The following week, the team will meet Lake Zurich for their first conference game.

Nelson expects Warren and Lake Forest to be the teams to beat this year. "And Round Lake could be a dark horse," he said, "They had a fine sophomore squad last year."

Returning lettermen that Nelson is depending on for the backbone of his squad this year are Gregg Drije, 6 ft. 185 lb. quarterback; Larry Davis, 6 ft. 180 lb. halfback; Bob Diener, 5 ft. 11 in 150 lb. HB; Tony Barnett, 6 ft. 155 lb. HB; Bill Nader 6 ft. 1 in 195 lb. fullback; Joe Pass, 6 ft. 2 in 175 lb. center who got All Conference mention last year; Bill Blecke, 5 ft. 11 in 180 lb. HB; Allan Channell, 5 ft. 11 in 175 lb. Guard; Dan Smith, 6 ft. 3 in 210 Tackle;

Mike Mazer, 5 ft. 11 in 190 lb. T; Bill Revell, 6 ft. 2 in 160 lb end and Carl Jennrich, 6 ft. 180 lb. end.

Lost to the squad for various reasons are John Koziol, who is working; Al Alexander, who moved; Dave Blagg, over age, and Frank Zeman, lost by injury. Frank was injured in a baseball game last year and will not be able to participate in football.

Lettermen lost through graduation were Jerry Whitson, brilliant and speedy quarterback, now attending Swarthmore; Don Zeman, now at Dartmouth; Bill Sheldon, at the Maritime Academy; Tyrone Walls, fullback and the all around star of the team; Jim Litchfield; Wayne Hansen; Steve Lobrillo, guard who received All-Conference mention; Louis Tanner, Alan Osterlund, Leonard Clark, Rich Stroner, Glen Offedahl, Dick Petersen,

Jeff Pachay, Howard Zimmerman, Wayne Channell, Ron Spiegler, Frank Roblin, Fred Gras, Tim Osmond and Dan White.

Juniors who have moved up to the varsity this year are John Meyer, 6 ft. 6 in, 155 lbs.; Dennis Pleviak, 5 ft. 3 in, 120 lbs.; Bob Sheldon, 5 ft. 7 in, 135; Ralph Zancan, 5 ft. 7 in, 150 lbs.; Fred Koch, 5 ft. 9 in, 150 lbs.; Jerry Martin, 5 ft. 9 in, 160 lbs.; Tim Wells, 5 ft. 8 in, 155 lbs.; Jim Shore, 5 ft. 11 in, 150 lbs.; Don Gaa, 5 ft. 6 in, 160 lbs.; Mike Tumminello, 5 ft. 10 in, 165 lbs.; Don Effinger, 6 ft. 1 in, 190 lbs.; Charles Hollocker, 5 ft. 10 in, 210 lbs.; Jim Carlson, 5 ft. 9 in, 130 lbs.; Bill Dow, 6 ft. 1 in, 230 lbs.

Only 33 boys turned out for the squad this year, compared to 46 last year. The Sophomores have 27 boys on the squad and the Freshmen 42.

Bus Schedule For Antioch Grade Schools

School buses will begin operation starting the first day of school, Tuesday, September 5, picking up children eligible for bus transportation in the morning and returning them to their homes before noon after completing a morning of registration.

After attending a luncheon in the school cafeteria for all employees and school officials on opening day, teachers will participate in an afternoon workshop.

At 1:00 p.m. teachers will attend a workshop in the Antioch gymnasium. The main program for the afternoon will be turned over to Scotts, Foresman representative, Dr. David Miller, graduate of the University of Nebraska, and a former elementary principal and teacher, who will speak on the development of reading at the elementary level.

School officials again urge that new pupils and kindergarten children be registered before the first day of school.

On the first day, September 5, registration for the Antioch Kindergarten will be done in two shifts. Those living outside the village will register in the morning and attend the morning session from 8:45 a.m. to 11:15 a.m. Those living within the village will register after 1:15 p.m. and attend the afternoon session. The regular morning and afternoon sessions will be in full operation on Wednesday, September 6.

Both a.m. and p.m. kindergarten children attending the Oakland building will register in the morning at Oakland on September 5. The regular morning and afternoon sessions will start on September 6. Kindergarten children attending the morning session at Channel Lake Building will register Tuesday morning, Sept. 5, and their class will be in full session Wednesday, Sept. 6.

Parents may take their kindergarten children home immediately after registering them on the first day.

The kindergarten fee for the year will be \$7.50 payable at the time of registering. Book rental fees are as follows:

Grades 1 through 4, \$3.00
Grades 5 through 8, \$4.00
School Insurance \$2.50
September lunch 5.40
September milk .36
(Cafeteria opens Sept. 6.)

we care

It isn't easy to buy bean coffee!

Nowadays, very few stores offer you bean coffee.

Why does A&P still offer coffees in the bean?

Basically, because "We Care."

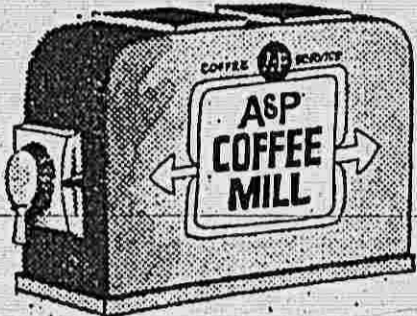

Specifically, because we know these facts:

The coffee bean is nature's seal that holds the flavor.

Once that seal is broken by grinding, flavor fades...

NO-MATTER HOW IT'S PACKAGED.

The shorter the time between grinding the beans and brewing your coffee, the greater the flavor.

So if you want the finest cup of "The Think Drink" you've ever tasted, buy and brew one of A&P's three Bean Coffee blends... Eight O'Clock, Red Circle or Bokar.

Not every store can offer you custom-ground bean coffee.

A&P can and does.

Shouldn't A&P be your store?

Bicycling— Know the Rules

Bicycling is at its all-time peak of popularity with more than 23 million bike riders in America alone.

Through various safety programs and good safety practices by most of the riders, the number of bike accidents has remained about the same despite this growing popularity.

Still, more than 400 Americans—about four out of five of them in the 5 to 15 age bracket—are killed each year in accidents involving bicycles. Another 25,000 cyclists suffer disabling injuries.

It is the purpose of this article to remind bike riders, particularly our young cyclists, of good safety practices in the hope that we can subtract even one from the number of deaths or injuries.

Good safety habits and a safe bike help assure bike fun for everyone.

To Boys and Girls with Bikes: Your car has two wheels and handlebars.

Its gasoline is your two feet.

You can ride it like an expert.

But the point is—can you handle it the way it ought to be handled?

There are rules and regulations for bike riding, just as there are rules for football. If you know the rules, you can play the game of bike-riding on the square. If you observe them carefully, you can make a good start on handling a bike properly—and properly handled, a bike is safe transportation. Clip and save these rules.

Basic Bike Safety Code

1. Ride on the Right Side of the Road.
2. Do NOT Carry Passengers.
3. Observe All Traffic Laws.
4. Use Hand Signals.
5. Ride Single File.
6. Slow Down, Look, Listen at All Intersections and Driveways.
7. Keep Both Hands on the Handlebars.
8. Be Equipped for Night Riding.
9. Do NOT Speed in Busy Sections.
10. Give Right-of-Way to Pedestrians, Cars, and Trucks, too.
11. Do NOT "Hitch" Rides.
12. Do NOT Ride from Between Parked Cars.
13. Make Repairs Off the Road.
14. Dismount and Walk Across Heavy Traffic.

Keep them where you can easily use them for future reference.

RULES OF SAFETY

1. Keep to the right and close to the curb or side of the road.
2. Never ride after dark unless necessary, and then only if bike has headlight and taillight or a reflector as required by law.
3. Obey all traffic laws, signs and signals.
4. Keep brakes, steering mechanism, horn and other safety devices in good order.
5. Do not ride with two on a bicycle.
6. Learn to use the hand signals for turns and stops.
7. Never hitch on to a truck, car or other moving vehicle.
8. Do not speed, race or weave in and out of traffic.
9. Never ride two or more abreast in the street or on the sidewalks.
10. Avoid busy streets and give automobiles the right-of-way.
11. Keep both hands on the handle bars, except to signal a turn or stop.
12. Never ride out of a blind driveway or alley on to the street without stopping.
13. Slow down on street corners.
14. Dismount and walk across dangerous intersections. Do not turn or cross unless it is safe.
15. Do not coast on traffic or make sudden stops.
16. Never squeeze into narrow places between two automobiles.
17. Always ride with caution and courtesy.

Color Film At Church

"Silent Witness," color motion picture about a teenager who broke his promise to God will be shown September 3 at 7:00 p.m. The film's appearance in this area is being sponsored by the Antioch Ev. Free Church, Tiffany Road at Highway Drive. The public is invited. Shot on location at Warren Central High School in Indianapolis, Indiana, Silent Witness features a cast of teenagers who produced the film as a unique project. Students from throughout the Indianapolis area combined forces to serve as actors, extras, set dressers and gaffers during the three-week period when a crew from Gospel Films, Inc. of Muskegon, Mich., producers of the film, was in their city.

The scenario is based on an actual incident, and combines humor and heartache to catch the pulsebeat of life in a modern high school. It is the story of a teenager named Bill who, challenged by the words of a speaker at his high school Bible Club, promises the Lord he will invite Nick, the school's top athlete, out to hear the Gospel. What happens when Bill fails to keep his promise provides one of the most provocative spiritual documents ever brought to the religious screen.

The beautiful color photography was handled by James Canon. Ken Anderson who wrote the story and produced the film "Seventeen," provided script and direction. Billy Zeoli, one of America's most successful youth leaders, supervised activities in Indianapolis.

"Silent Witness" is one in a series of films planned by Gospel Films on stories taken from real life.

Social Security Checks Mailed Early

Social security checks will be delivered Saturday, Sept. 2, a day earlier than usual, Postmaster General Lawrence F. O'Brien announced today.

Mr. O'Brien said the treasury Department and the Social Security Administration made the arrangements with the Post Office Department for the earlier delivery to avoid hardship among the more than 20,000,000 persons on social security.

Because Sept. 3 is a Sunday, delivery of the checks normally would be made on Monday, Sept. 4. However, since Monday is the Labor Day holiday, the Saturday deliveries will avoid a 2-day wait until Tuesday, Sept. 5.

To insure against any erroneous holdover of the checks until Sept. 5, the Treasury is providing envelopes with printed instructions showing that delivery must be made on September 2.

Instructions are also being placed in the Postal Bulletin covering the earlier delivery as further insurance against misunderstanding by postal personnel.

County Group Discuss Plans For Sesquicentennial

Representatives of Lake County Chambers of Commerce met at the Swedish Glee Club in Waukegan last Wednesday to discuss plans for celebrating Illinois' Sesquicentennial next year. Dale Starkey represented the Antioch Chamber of Commerce at the meeting.

Bob Post, secretary of the Steering Committee, said that millions of dollars will be spent in promoting tourism in Illinois during the Sesquicentennial year. The communities of Lake County, he said, will have to start planning now if they want to make use of this activity.

The County's Steering committee, appointed by the chairman of the board of Supervisors, is arranging other meetings with educators, artists' groups, musical groups, etc. to endeavor to encourage activity in all areas of the community. A County history will be brought up to date and published. The County Fair will highlight Sesquicentennial activities.

Each community will plan and develop its own activities during the year-long celebration. December 3, 1967, is the

first day of the Sesquicentennial year. Possible plans include dedication of the Lake County Courthouse to open the celebration. Essay contests for school children concerning the history of the county were mentioned. Some communities are having awards for the first baby born after Dec. 3.

The State is not giving any financial aid to communities for their individual celebrations, but is spending money on State promotions. Jack Leland, Field Representative, said that no tax money will be spent by the State, only funds from the parimutuel windows at the race tracks will be used.

It was mentioned that Fort Sheridan and Great Lakes should be included in the County's activities, with special days, etc. It was suggested that the steering committee contact all Mayors and suggest that the 150th year theme be used on vehicle tags.

The Steering Committee hopes to get communities to set dates for all scheduled activities as soon as possible so that a County calendar of events can be prepared.

To Expand State Police

The present 1,100-man Illinois State Police force will be expanded to 1,400 by July 1, 1969. A newly established salary scale provides a starting salary of \$575 per month to a maximum of \$840 in the trooper rank.

Police Superintendent William H. Morris has assigned two officers in each district to Great Lakes Hospital August 20. His wife, Pat, who is living with her parents, Mr. and Mrs. Marvin Heath, Antioch, during her husband's term of service, reported he is recovering and in good spirits.

Hn. Magee was wounded by a hand grenade while he was giving first aid in the field to a wounded soldier. He received a laceration on the corner of his eye and lacerations of his right lower arm. He is unable to see with the injured eye at present, but will not get a final verdict for a year or six months.

Magee arrived in Viet Nam July 4 and was wounded after only 25 days there. He was serving with the 3rd Marine Division 2nd Battalion, 9th Marines, Gulf Co.

Mrs. Bernhard Hans Andresen

McNeill-Andresen Wedding In Ohio

Miss Jean McNeill became the bride of Bernhard Hans Andresen Saturday, August 18 in a ceremony at Faith Lutheran Church in Kent, Ohio.

The Rev. Hillard Ranta performed the double ring ceremony. The bride is the daughter of Mr. and Mrs. Carl E. McNeill, 1317 Woodhill Drive, Kent. The groom is the son of Mr. and Mrs. Bernhard Andresen of Lake Villa.

The bride, given in marriage by her father, chose a floor-length gown of white satin. The Empire re-embroidered lace bodice featured a Sabrina neckline and elbow-length sleeves. A white satin Dior bow held her bouffant veil of illusion and she carried a nosegay of white carnations, daisies and stephanotis. The bride's only jewelry was a single strand of pearls, the gift of her maternal grandparents, Mr. and Mrs. W. W. Purdy of Mansfield. For something old she carried the handkerchief which her mother used at her wedding 27 years ago.

Miss Linda Zenar of Kent was maid of honor. Miss Margaret Hage of Quincy, Ill., college roommate of the bride, was bridesmaid. Both wore floor-length dresses of aqua silk lined accented with softly draped lace panels attached at the shoulder. Their matching veils were accented with Dior bows and they carried nosegays of white daisies and ivy.

Douglas Schill presented a program of organ nuptial music while the guests were seated. Robert Reeder of Oak Park, Ill., was best man and James Cooper of Silver Springs, Md., was usher.

The 4 p.m. wedding was followed by a buffet supper in the garden at the McNeill home. Flower arrangements in blue and yellow decked the tables where 90 guests were seated. During the supper, organ melodies were presented by Don Moore. Miss Ellen Bartlett, cousin of the bride, circulated the guest book.

Mrs. McNeill, mother of the bride, wore an aqua alaskine dress with matching whimsy. The bridegroom's mother wore a gown of ice green peau de soie. Both wore orchids.

The newlyweds left for their home in Texas after the reception.

The bride was graduated from Laurel School, Cleveland, attended Smith College in Northampton, Mass., and was graduated in May from Southern Methodist University in Dallas. She is employed as a credit analyst for Dun & Bradstreet.

Mr. Andresen, an alumnus of Northwestern University, Evanston, received his mas-

ter's degree in electrical engineering from Southern Methodist Aug. 12. He is an engineer with Texas Instruments.

Guests from Chicago, Niles, Lombard, Skokie, Lake Villa, Florida, Canton, Mansfield and Cincinnati attended the wedding. Miss Marie Andresen, the groom's aunt from Fort Meyers, Florida, was one of the guests.

Mr. and Mrs. Joseph Kennedy

Janet Polley Weds Joseph Kennedy

The Rev. Donald Cobb heard the nuptial vows of Janet Polley and Joseph Kennedy in an afternoon wedding at the Antioch Methodist Church Saturday, August 26.

The bride is the daughter of Mr. and Mrs. Warren Polley of 998 Osmond Ave., Antioch. The groom is the son of Mr. and Mrs. David Kennedy of 8632 Frontage Road, Morton Grove.

The bride, given in marriage by her father, wore a floor-length gown of white crepe. A bow at the back neckline cascaded into a train, and a bow held her fingertip veil. She carried white daisy mums and stephanotis.

Mrs. Clyde Senters, Jr., of Ames, Iowa, sister of the bride, was matron of honor. She wore a gown of apricot ottoman voile and carried a basket of yellow daisies and bronze mums with a headpiece of the same bloomers.

The bridesmaids were former roommates of the bride

at Cornell College. Miss Mary Sals of Iowa City and Miss Juli Dieckman of Rock Hill, Mo., wore yellow ottoman voile and carried baskets of daisies and mums. The flower girl, Linda Kennedy, sister of the groom, wore apricot voile and carried flowers matching the other attendants.

Charles Breen of Lincolnwood was best man. Ushers were Joseph Spiegel of Glenview, Richard Ryan of Janesville, Wis., James and Mike Polley, brothers of the bride, and Bruce Kennedy, the groom's brother.

A reception was held at Wesley Hall at the Methodist Church.

The bride is a graduate of Cornell College and is now attending Northwestern University. The groom also has a BA degree from Cornell and is attending DePaul University.

After a honeymoon trip to Michigan, the young couple will be at home at 618 2nd Ave., Waukegan.

Gibson-Libert Wedding Aug. 12

Penelope Gibson of Fox River Grove became the bride of Fred Libert III of Antioch in services at St. Peter's Church in Antioch August 12.

The bride is the daughter of Mrs. Stanley Gibson, 107 Grace Lane, Fox River Grove. She was given in marriage by her brother, Tom, as her father is deceased.

The groom's parents are Mr. and Mrs. Fred Libert, Jr., of Rt. 3, Antioch.

The maid of honor was the bride's sister, Linda. Bridesmaids were Cindy and Kris Libert, twin sisters of the groom. Kristi Portalski, 4-year-old niece of the groom, was flower girl.

Tom Dickinson, an English teacher at Fox River Grove school, was best man. A week following the wedding, Dickinson was killed in an automobile accident near his home town of Waupaca, Wis.

Ushers were Homer Latimer of LeClaire, Iowa, and Rich Williams of Northfield, Ill., fraternity brothers of the groom.

The bride was a former student at Fox River Grove School and a graduate of Illinois Wesleyan. She teaches music at Fox River Grove Jr High.

Fred was a 1957 graduate of Antioch High School and a graduate of Cornell College. He teaches History and English at Fox River Grove Jr. High.

A wedding breakfast at the Angels followed the wedding. A celebration of the marriage was held at the Community Methodist Church in Fox River Grove at 7:30 p.m. August 12. A reception at the Queen of Peace Hall in Barrington followed the ceremony.

After a honeymoon trip to Wisconsin, the couple are in their new home at 401 Potomac Drive at Fox River Grove.

Where The Boys Are

ALEXANDRIA, La. — Edwin R. Watkins, son of Mr. and Mrs. Chester E. Watkins of 704 Piper Lane, Lake Villa, has been promoted to airman second class in the U. S. Air Force.

Airman Watkins is an administrative specialist at England AFB, La. He is a member of the Tactical Air Command which provides combat reconnaissance, aerial firepower and assault air support for U. S. Army forces.

The airman is a 1966 graduate of Grant Community High School, Fox Lake, Ill.

With U. S. Combat Forces in the Western Pacific—Airman Second Class Theodore J. Wozniak, Jr., son of Mr. and Mrs. Theodore J. Wozniak, Sr., of R. R. 3, Antioch, is now on temporary duty with the 4252nd Strategic Wing at a forward base in the Western Pacific.

Airman Wozniak is permanently assigned at March AFB, Calif., while helping provide direct support for U. S. Air Force operations in Southeast Asia.

The airman, a Strategic Air Command vehicle operator, supports KC 135 Stratotanker aircraft who daily provide aerial refueling to B-52 bombers, fighter-bombers and reconnaissance aircraft conducting the air war over Vietnam.

Airman Wozniak attended Antioch Township High School.

His wife, Ann, is the daughter of Mr. and Mrs. E. T. Colvin of 1215 11th St. S., Columbus, Miss.

Vacation

Bob and Marion Hammit recently returned from a four week tour of the south. They visited Gettysburg, and saw the Gettysburg National Military Park, scene of important battle, and Civil War landmarks. Taking the Sky Line drive they went through the Shenandoah Forest to Blue Ridge Park, and then riding the top of the crest they went through Maryland and then into Greensboro, North Carolina, where they visited friends and toured sites where the Revolutionary War was fought. Viewing more landmarks and museums. Their trip took them through West Virginia, Virginia and Kentucky, where they stayed three days. While on a tour of Carter Caves the Hammits and their guide were locked in for a while and had to call for help. Coming back to Carbondale they visited with friends there for two days.

Saturday was the Hammit's 29th wedding anniversary. To celebrate the occasion they went out for dinner.

Bob Hammit, Jr., has just graduated from gunners-mate school and will be attending school at Great Lakes for the next eight weeks.

Kids Hold Carnival For MD

Eleven enterprising children from Fox Drive east of Antioch used some of their summer vacation time to raise some money for those less fortunate than themselves, and had a good time doing it.

The youngsters held a carnival Sunday, August 20, and collected \$44.42 for the Muscular Dystrophy fund.

They got the idea from a TV program on Channel 12. The Lippy Lucy MD Carnival kit was sent to them when they requested it, with suggestions for games and booths.

The youngsters collected books and games and sold them; the girls baked cup cakes and popped corn for sale at the carnival while the boys set up a refreshment stand and sold hot dogs and soft drinks. All of them used their own money to buy prizes to give in game booths—a balloon bust, a fish pond and of course, a penny pitch.

They had a good turnout of grandparents and other relatives in addition to children.

The eleven children are Michelle and Keith Radke, Kevin and Brad Fox, LeAnn and Lance Buchta, Barbara Hansen, Michael Leber, Debbie Broecker and Linda and Gary Myers.

TRAFFIC FATALITIES UP

Traffic fatalities in Illinois for the first 15 days of August totaled 128, according to provisional reports by the Division of Highways and the State Highway Police. This was an increase of 8% over the 119 traffic deaths reported during the same period in 1966.

The group played cards, ate, and just had a good time visiting.

MOOSE TOPICS

By Lillian Birdsall

The Hunting club of the Antioch Moose Lodge elected their new officers at the Moose Home, Thursday evening, August 24. Newly elected officers are Ted Wilkison, president; Harold Klempner, vice-president; Jerry Kusch re-elected for secretary and Ed Kurtz re-elected for treasurer. These new officers will take over at the next scheduled meeting for the hunters which will be on Thursday, September 28.

The pheasants for next year's hunting season have already been purchased by out-going president, Leonard Huhn, and most of the plans have been set for the opening days of the hunting season. Wilkison has lined up a whole lot of new ideas and plans which he intends to bring up at the next meeting. Control shooting, which is one of the things left on the undone schedule, is number one on the list.

Bringing the membership list up to date is another feature and planning money making activities is another step.

The membership, which had been limited to only 50 members the first year, may be increased for the coming year. Confirmation to this statement will be acknowledged at the next meeting. Membership qualifications are that you must be a member of the Loyal Order of Antioch, No. 525 before you can join the hunting club. For the next few weeks the members will be busy repairing fences around their hunting grounds.

The Convention for Moose members will be held in Peoria this year starting September 29 through October 1st. Anyone who is planning to attend and has not made their reservation yet are asked to do so at once if you intend to go space.

A meeting is scheduled for the officers of the Loyal Order and the Women of the Moose at the Moose Home on Wednesday evening, Sept. 6. A ritual practice will be held at the Antioch Moose Home Monday, Sept. 11, at 8 p.m. This is for the Loyal Order and all members taking part on the ritual staff are asked to be present.

3 In A Row For Harris

The 50 lap jinx struck the Waukegan Speedway for the sixth time this season Saturday night as two showers in the afternoon drenched the track and grounds. The 50 lap summer championship for the late model division is now set for Monday night, September 4. There will also be fireworks on that special night of racing.

LARGE FIELD SUNDAY

The gloomy and chilly weather threatened to cancel the races for the fifteenth time this year at the Waukegan Speedway Sunday night, but instead a large field of modified stock cars showed up for a torrid series of races.

Whitey Harris continued his win spree with his third consecutive victory with a narrow 30-lap feature win over Bill Bohn. Harris is now only 15 points behind Bohn in the championship point standings as these two battle it out for the driving title.

Jim Ouellette paced the feature field until the midway point after Bill Ansell spun while leading in the second lap and John Martin retired two laps later while in first spot.

At 10 laps it was Ouellette, Mouse Wade, Bohn and Harris in close formation. Harris passed Bohn on the next lap, was second one lap later and into the lead on lap fifteen. Bohn was second on the 17th.

Bohn closed in on Harris and nearly passed him on the 25th lap and again on the final lap. Bohn kissed the wall as the two took the checkered flag. Ouellette finished third ahead of Gino Wagner and Roger Von Otto.

John Reimer, Harris' biggest contender in recent weeks, spun completely.

Major League Adopts New Name, Team Limit

The Major League at the Antioch Bowl will start its season Friday, Sept. 8, with a new name and some new rules.

The new name and a limit on team averages were approved at a meeting of the league membership last Friday night. The league was renamed the Antioch Scratch league. A limit of 875 team average has been imposed. Ten teams were represented at the meeting.

FERRARA GETS CREDIT FOR CHARGING IT

An article in the current issue of SPORT magazine reveals how Dodger outfielder Al Ferrara improved his fielding. "I've learned to charge groundballs," says Ferrara. "I got a credit card."

The league is aiming for twelve teams. The following teams have signed up for this season: Fargo Ice, Blumen-schein Excavating, Miller Insurance, John Gaa Oil, Kennedy's Pro Shop, Cermak Realty, Volo Bait Shop, Joe & Helen's and Modern Music.

A new team has been formed which is looking for a sponsor. The team is made up of Russ Dewar of Lake Villa and his five sons. One member of the team will be the sixth man. All average 170 plus.

Ken Blumenschein, Lake Villa, was elected president of the Antioch Scratch league and Steve Bain of Bristol was chosen secretary.

Jim Sullivan of Antioch is shown in his new modified stock car that has been the subject of much talk among not only the fans but the drivers and car owners at the Lake Geneva Speed Center. Sullivan proved that it will be a front running car when he almost had that spot in Thursday's races at the Speed Center and then spun out.

Kenosha Driver Captures 1st Win

Bill Bohn of Kenosha returned to the win column at the Speed Center last Thursday night as he slipped into the lead from third spot and captured his first win in a modified stock car feature race at the Lake Geneva Speed Center since July 21.

Fuzzy Fassbender led the race throughout the first 27 laps but had a terrific battle with Don Sorce from the 10th lap on. Many times Sorce drew along side of Fassbender and several times rode into the turn slightly ahead but Fassbender kept control of the lead each time they came off the corner.

Finally, with Bohn working his way up from seventh spot, the pressure got too much for both of them and each went wide into the number one turn allowing Bohn to slip in under them for the lead and the win.

Finishing behind Sorce in third was Roger Otto. Next was Don Schuppel, Duane Harris, Phil Hirsch, Denny McKay and Ilen Hanson. Jim Sullivan, driving his new tow clearance modified was up as far as third at one time and made a bid for the lead but spun out of the race in the third turn. He recovered, spun again later and still continued to get 11th spot.

The exciting night of racing was not only sparked by several close wins but a near blackout, too, as Leo Dunivan of Delavan, while trying to push his way to victory in the second late model stock car heat, lost control of his car, went up and over a guard rail pushing over a track light pole. Five other back straightaway lights were also put out but it was the last lap and the race ended with Bruce Johnson the winner from third spot with Bob Roper second, followed by Gary Drews.

Roper came back to win the feature for the late models and Peter Beitz won the other late model heat.

Modified heats were won by John Champlin, Schuppel, Hirsch and Fassbender. Tom Anderson of Antioch set fast time for the modifieds, averaging 60.48 MPH. It was Tom's first fast time and his

father, Andy, racing for the first time, was the slowest. It is believed that this is the first time a father and son combination has ever been at both ends of a qualifying order.

SATURDAY NIGHT

While many tracks again suffered race cancellations due to weather, the Lake Geneva Speed Center was forced to cancel its scheduled Saturday night's races when an accident broke a main power cable. During races at the Speed Center Thursday night a car hit a backstretch light pole and broke it off at the ground. When an attempt was made to move a new pole into position the accident occurred and the damage could not be repaired in time to hold the scheduled race program.

The problem was corrected in time to hold the drag races the next day and thereby assured everyone that the stock car races set for Thursday night, Aug. 31 and Saturday night, September 2, could be held without further interference.

The Thursday races will mark the end of the week night races for the balance of the season but Saturday night racing will continue throughout the month of September. The final Thursday night race will feature another of the popular Ladies Powder Puff races. Some of the lady drivers will be affiliated in brief swim suits for the occasion. The modified and late model stocks will also be on hand for their final Thursday night run.

The Saturday night, September 2, will feature a 50 lap modified stock car race. The Saturday night, September 2, race will feature a 50 lap modified stock car race.

Roger Otto of Burlington still leads in point standings but is now facing his slimmest margin of the year as both Bill Bohn of Kenosha and Duane Harris are close enough to be able to take over the number one spot before the end of September.

Rifles Tounce Chiefs

The Lake County Rifles football team continued their winning ways by trouncing the Manitowoc Chiefs 34-0 in a Central States contest Saturday evening. Threatening clouds hovered over Weiss Field throughout the game but the rains held off. However, the Rifles generated plenty of thunder of their own when early in the first period, halfback Dick Wolf grabbed a Chief punt and raced 90 yards for a touchdown.

After a later exchange of punts, Rifle quarterback Lew Flinn whipped a 27-yard toss to Angelo Dabiero for the Lake Countians' second score. Both conversions were missed and the Rifles held a 12-0 lead after the first stanza.

The Lake County defense turned in its outstanding performance to date as they put constant pressure on Chief quarterback Gregg Zastrow. Four times Manitowoc lost the ball on fumbles. One of these in the second period was fallen on by Don Pyles in the end zone for another Rifle tally. Wayne Miller's boot found the mark and the score mounted 19-0 Rifles favor.

With just 18 seconds left until halftime, Flinn uncorked another TD aerial 25 yards, again to Dabiero. The Central States League champs left the field at intermission with a 25-0 lead.

Defensive halfback Dick Wolf brought the elated fans to their feet several times in the third period with interceptions and another 63 yard punt return only to have both nullified by penalties.

The Rifle scoring machine was not stymied, however. Lew Flinn demonstrated why he was selected the league's MVP last year when he hit Dabiero a third time with a quick look-in pass. The for-

Top Grapplers On Card At Twin Lakes

The Wonderbar Ballroom in Twin Lakes, Wis., will be the scene of the only All-Star Professional Wrestling card to be promoted in 1967. A fine array of talent has been procured by the local promoters to bring one of the finest cards to Twin Lakes on Sunday, Sept. 3, starting at 8:30 p.m.

The talent is of such high caliber that the promoters have had difficulty in decid-

ing which match should hold the feature spot, so have just decided to call it a "Triple Feature Card."

In a one hour time limit tag team match four of the Nation's top girl contenders will meet in a two out of three fall contest.

One team will be composed of Jean Lane of Chicago, who at 135 trim pounds has often been labeled one of the most beautiful in the

game. Her partner will be Sharon Lass, another Chicagoan who is long on looks, and even longer on ability. She will also weigh in at 135 lbs.

They will oppose the rough but equally attractive team of Columbus, Ohio's Rita Crawford, who weighs a capable 140 lbs. Her partner will be red-headed Cheryl Williams, a 140 lb. beauty from St. Louis, Mo. This match, alone should be well worth the admission price.

Johnny Gilbert, one-half of the Midwest Tag Team Championship team will oppose the "Destroyer," a heavy-weight masked man who has been "destroying" opponents regularly on Chicago's TV channels 26 and 32. This is also a one hour time limit with the Destroyer vowing he will take off his mask if defeated.

In another outstanding match Billy Goetz, the other half of the Midwest tag team top team will take on Johnny Kace, rough customer from Antioch. Goetz is from Fox Lake, and at 200 lbs. will be giving Kace a 28 lb. advantage. Tickets on sale at Frank Young's arcade and Twin Lakes Bowling alleys.

Announce Dates Of Duck Season

Duck season will begin at sunrise, Saturday, October 28, and end at sunset, Wednesday, Dec. 6. Hunting hours will be from sunrise until sunset every day of the season.

The daily limit is four ducks and the possession limit is eight ducks. Not more than two mallards, one wood duck, or one canvasback may be included in the daily bag.

The seasons for coot and jack snipe run concurrently with the duck season. The daily bag limit is 10 coots and the possession limit is 20. Eight snipe may be killed in one day and 16 retained in possession. The possession limits and the bag limits are the same on opening day.

Goose season will begin at sunrise, Monday, Oct. 16, and end at sunset, Wednesday, Dec. 6, except in Alexander, Union, Williamson and Jackson Counties. Hunting hours are from sunrise until sunset. The daily and possession limit is five geese.

In Alexander, Union, Williamson and Jackson Counties, where most of the geese taken in Illinois are killed, the season will begin at sunrise Monday, Nov. 13 and end at 3 p.m. Sunday, Dec. 24, unless a state quota of 20,000 geese is bagged before the scheduled closing date.

mer Notre Damer, with moves akin to a jack rabbit, raced 76 yards in, around and through the entire Manitowoc defense for his third touchdown of the evening. Miller's PAT made the score 32-0.

The fourth quarter the Rifle defense kept the Wisconsin deep in their own territory with the booming 50 yard punts by Jack Young. On a fourth down situation, Manitowoc center Bill Simon lofted the ball over his kicker's head and on rushing Rifle lineman Joe Bieck pounced on top of him for a two point safety and the final Rifles scoring for the evening.

Statistically Flinn completed 10 for 24 and 166 yards while Zastrow attempted 35 passes with 17 completions. Rushing, the Rifles picked up 92 yards with Bill Bodle and Maurice Guins accounting for 61 of them. The vaunted Lake County defense allowed only 31 yards rushing in shutting out the Chiefs.

Next week will find the Rifles traveling to Madison, Wisconsin to take on the Northern Division champion Mustangs. These two teams met in the title game last season with the Rifles winning 29-6. The Mustangs will be out to revenge that setback and the word from the north country is that this club is loaded. Like the Rifles they have won three straight and at present are unscored on. So, there'll be plenty of action next Saturday at Madison's Warner Field.

In other weekend contests the Racine Raiders and Arlington played to a 26 all tie. West Allis trumped Delavan 41-0, while powerful Madison annihilated hapless Sheboygan 64-0.

Tickets to all Rifles games may be secured at the State Bank of Antioch.

around on the tenth lap and continued without stopping, but lost valuable time on the leaders. He finished seventh and still holds fourth spot in the points behind Von Otto.

Reimer caught the crowd's fancy in the fourth heat as he raced from the rear to pass two cars in the final turn and win the fourth heat in a near three way photo finish as a fourth car spun wildly into the infield. Fran Ansell lead the first nine and three-quarters lap with Otto, Reimer and Wagner in hot pursuit.

On the final turn Reimer swept high, and Ansell went high with Otto and Wagner diving inside the two as all four raced side by side out of the fourth turn. Reimer inched past Ansell with Otto a scant third and Wagner looping into the infield.

Double championship points are at stake in next Sunday's 50 lap feature and the balance of the card. A large field of cars are expected for these races.

Modified racing continues at Waukegan on Sunday nights through the end of September.

Babe Ruth Wrap-Up

Some of the Babe Ruth League players were inadvertently omitted from the season's end wrap-up story. There they are, with their batting averages: Ron Turzy, .340, 44 AB, 15 hits; Gary Pawlowski, .304, 23 AB, 7 hits; and Dan Sterbenz, .300, 40 AB, 12 hits.

The Bi-State League had its final meeting Thursday, Aug. 24, and will start its schedule Sept. 7th, at 9:15 p.m.

Anyone For Soccer? League Needs Teams

Thanks to the all out efforts of a few dedicated men and the teams who back them up—soccer is fast becoming a sport to be reckoned with in McHenry county. Leo Hartog, Walt Vitavsky

and Curt George, who form the board for the Wonder Lake Mustangs, devote many hours every week to the development and promotion of their team. The Crystal Lake Bombers have Tony May as their manager and coach, and the McHenry Blues are under the direction of Bill Thomas.

Now some of these managers would like to see a team formed in the Antioch area. They feel sure there must be the nucleus of a team in this area.

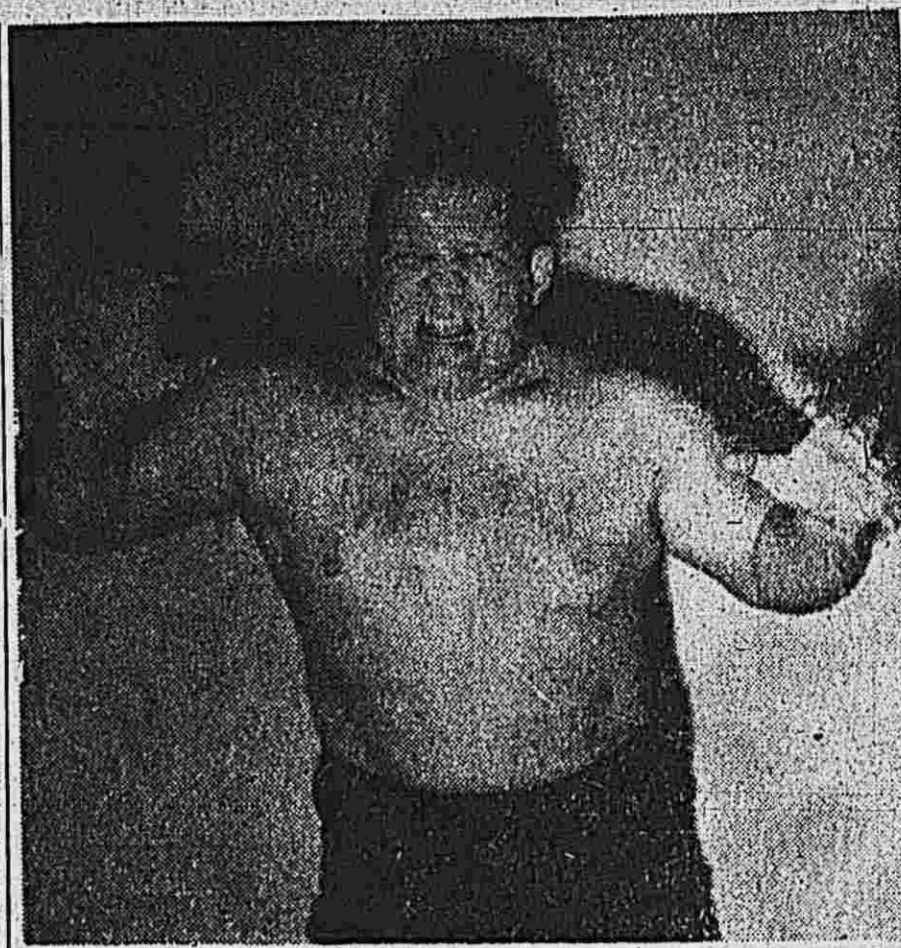

An article in a paper less than three months ago asking if anyone was interested in soccer brought a flood of calls to Leo Hartog in Wonder Lake. It seemed many were interested and wanted to do something about it. As a result, the formation of a McHenry County Soccer League is well on its way. However, more players are needed, and more interested adults who want to help in getting the league going.

The attendance at the McHenry County games grows with each game, a member of the Mustangs reports, and you never heard a more enthusiastic group.

Once again, if anyone is interested in soccer, or if you need help in getting a team started, any of the fol-

lowing will be glad to come out and give you a hand: Leo Hartog, 815-653-7176; Walt Vitavsky, 815-653-9158 or Curtis George, 815-385-2373. Please call after 5:30 p.m.

A soccer game will be played at Christ the King Church in Wonder Lake Sunday, September 3, starting at 2 p.m.

ACHS Football Squad Uncertain Quantity

With the football season rapidly approaching and practice under way, Coach Roy Nelson is keeping his fingers crossed and hoping for the best.

Antioch High School lost the nucleus of an outstanding team through graduation last spring. Four other members of the squad are lost to this year's action because of moving, age or injury.

Nelson says he still had a solid line, but the backfield is made up of boys who never got into a game last year. With stars like Walls, Sheldon, Zeman and Whitson gone on to college, it's anybody's guess how this year's squad will shape up. "Don't count them out," Coach Nelson said, "What they lack in experience they make up in discipline and desire to play."

Antioch's first test will come against Salem Central at the Antioch High athletic

field at noon Saturday, Sept. 16. This will be a non-conference game. The following week, the team will meet Lake Zurich for their first conference game.

Nelson expects Warren and Lake Forest to be the teams to beat this year. "And Round Lake could be a dark horse," he said. "They had a fine sophomore squad last year."

Returning lettermen that Nelson is depending on for the backbone of his squad this year are Gregg Drije, 6 ft. 185 lb. quarterback; Larry Davis, 6 ft., 180 lb. halfback; Bob Diemer, 5 ft. 11 in 150 lb. HB; Tony Barnett, 6 ft. 155 lb. HB; Bill Nader 6 ft. 1 in 195 lb. fullback; Joe Pass, 6 ft. 2 in 175 lb. center who got All Conference mention last year; Bill Blecke, 5 ft. 11 in 180 lb. HB; Allan Channell, 5 ft. 11 in 175 lb. Guard; Dan Smith, 6 ft. 3 in 210 Tackle;

Mike Mazer, 5 ft. 11 in 190 lb. T; Bill Revell, 6 ft. 2 in 160 lb end and Carl Jennrich, 6 ft. 180 lb. end.

Lost to the squad for various reasons are John Koziol, who is working; Al Alexander, who moved; Dave Blagg, over age, and Frank Zeman, lost by injury. Frank was injured in a baseball game last year and will not be able to participate in football.

Lettermen lost through graduation were Jerry Whitson, brilliant and speedy quarterback, now attending Swarthmore; Don Zeman, now at Dartmouth; Bill Sheldon, at the Maritime Academy; Tyrone Walls, fullback and the all around star of the team; Jim Litchfield; Wayne Hansen; Steve Lobrillo, guard who received All-Conference mention; Louis Tanner, Alan Osterlund, Leonard Clark, Rich Stroner, Glen Oftedahl, Dick Petersen,

Jeff Pachay, Howard Zimmerman, Wayne Channell, Ron Spiegler, Frank Roblin, Fred Gras, Tim Osmond and Dan White.
